REGISTRATION OVERVIEW

The Office of the Registrar will conduct two types of registration for fall semester 1991: **confirmed registration** and **course-request registration**. Refer to the chart at right to determine when you will register and adjust your schedule.

Confirmed registration is for those students who are continuing with degree programs, as well as for new graduate students and readmitted students (see pages 8 and 9). It takes place throughout the months of April, May, June, July, and part of August. You may drop and add classes anytime after you register, through August 16, with the exception of July 21-26. The system will also be available for you to adjust your schedule once the fall semester begins.

Course-request registration is for new freshman and transfer students. If you are just starting your academic career at CU-Boulder, you will register for fall 1991 via course-request registration (see pages 10 and 11) during the summer. You will use our telephone registration system, called "CU Connect." CU Connect will hold your requests until all new students have had a chance to request classes. Then your requests will be run through a series of computer programs and you will be placed into classes. After you have picked up your schedule and the semester has begun, you will be able to drop and add classes during final schedule adjustment.

BEFORE YOU REGISTER

Before you register, please read the following information. Many of the questions you may have about registration procedures can be answered here. Listings are in alphabetical order.

Addresses—Very Important!

Throughout your time as a student, we will mail important registration materials to you. Therefore, **it is extremely important that you keep your addresses updated at all times.**

Three addresses on your student record must be kept current if important mailings are to reach you: your mailing address, your permanent address, and your summer address.

Your **mailing address** is your address in Boulder during the school year, *e.g.*, the residence hall, apartment, or house where you live during the fall and spring semesters.

Your **permanent address** most often is your parents' or guardians' residence, *e.g.*, the place you call home during the time you are not attending school.

Your **summer address** is your address from the end of the spring semester to the beginning of the fall semester and is the address, for example, to which your spring semester grades will be sent.

Please note that you can have a number of address combinations: a different address for mailing, permanent, and summer; or the same address for any two or three of these categories.

You may look up any of your addresses (using the Address Locator system) and fill out a change of address form at the

registrar's office in Regent, in the financial aid office, or in UMC 165. You can also call (303) 492-6581 to update your addresses.

Advising

Some CU-Boulder colleges and schools require that you consult with an advisor before registering for courses. A code is inserted into the system that will prevent you from registering until you have seen an advisor. If you receive such a message on your invitation to register or when you call CU Connect, and you are an arts and sciences student or an engineering student, call your faculty advisor, your major department, or your dean's office to make arrangements for advising. If you are a student in any other college or school and you receive an advising message, you should call your dean's office.

After you have been advised, the code on the computer will be adjusted, and you may call CU Connect to register.

Changing Your Major

If you would like to change your major or declare a major before you register, simply go to that department and ask about its procedures. Most of the time, you will only need to fill out a change of major form. Your change will be entered on-line into the system as soon as it has been approved by the new department. If your change of major involves moving into another college or school, it is considered an *intrauniversity transfer* (IUT). Please see that section on the next page.

Controlled Enrollment and Independent Study Courses

If you are interested in taking a course with an 800- or 900-level section number, you will need to contact the department for permission and for the five-digit course call number before you register. Enrollment in these courses is limited by the appropriate departments.

Beginning Monday, August 26, controlled enrollment courses may only be added by departments, or by a special action form.

Credit-Hour Limits

You can only request **19 hours** of course work during registration, *including* wait-listed courses. Once you have completed your registration, you should check with your college or school to determine the maximum number of credit hours that can be counted toward your degree each semester. You will be allowed to carry up to **21 hours** during final schedule adjustment.

Note: Remember that **12 hours** is considered a full-time undergraduate student load for financial aid purposes.

Credit Options

No Credit. You can select classes on a no-credit basis (an *NC* will appear on your transcript in place of a grade) during registration or schedule adjustment. However, you will still pay full tuition for the course. Please check with your college or school or the catalog for policies on no-credit status and how it may be used.

Pass/Fail. You will be able to select classes on a pass/fail basis throughout registration and schedule adjustment. Please check with your college or school; there are restrictions on the number of courses and the types of courses that can be taken pass/fail.

BEFORE YOU REGISTER

Once you have signed up for a course on a pass/fail basis, your professor is not told—and should not be told—that you are taking the course on a pass/fail basis. You will be assigned a grade for the class. A grade of *D-* or above is automatically converted to a *P*; an *F* remains an *F*. Only the *F* is calculated as part of your grade point average; a grade of *P* is not counted.

Variable Credit. When requesting a variable-credit course (one with a range of minimum and maximum credits), you need to decide how many credits you would like to receive in that course. Indicate this when prompted by CU Connect.

Double-Degree Programs

If you are working in a double-degree program (for example, obtaining one degree from arts and sciences and one from business), you should check to see that *both* degree programs are entered on the Student Information System. Check with your dean's office; if you are not on the system, you may not be able to register for required classes during registration. If you have questions concerning your double-degree program, check with one of your deans.

Intrauniversity Transfer (IUT)

If you would like to transfer into another CU-Boulder college or school, check with that dean's office for admission criteria and information on enrollment levels, application procedures, and deadlines. Policies vary among the different colleges and schools.

If you have already submitted an IUT application, register as if you have been accepted to the new program. If you are not accepted into the college or school during your registration period, you will be able to adjust your requests through July 19 and again from July 28 to August 16.

Parking Permits

On Sunday, August 25, from 8:00 a.m. to 3:00 p.m., campus parking permits will be sold to *residence hall students only* at the Coors Events/Conference Center and to Williams Village residents at Darley Commons.

Parking permits for all other students will be sold on Monday, August 26, at the Coors Events/Conference Center (at the School of Law for law students) from 8:00 a.m. to 3:00 p.m. *Parking permits are limited.* You may not purchase a permit for another student.

On Tuesday, August 27, permits will be sold at the Events/Conference Center from 8:00 a.m. to 2:00 p.m. After August 27, parking permits will be sold at the Parking Management Office, 1511 University Avenue, 8:00 a.m. to noon and 1:00 to 4:00 p.m.

Residence hall students must present a photo ID *and* meal voucher or sticker. Commuter students need to present a photo ID (preferably a student ID) *and* an original valid vehicle registration (not a copy). You are no longer required to show your schedule/bill to purchase a parking permit. The charge for the permit will be added to your tuition and fee bill.

Photo IDs

Your validated photo ID is an important identification card to carry with you. It signifies that you are a currently registered student and allows you to use University services.

The Photo ID Office will be located in the Stadium, Room 129 (between gates 4 and 5) through April 8. Beginning April 9, it will be located in UMC, Room 25, across from the Book Center.

Discover Kinko's. You get more than just great copies.

BEFORE YOU REGISTER

To have an ID made, go to the Photo ID office, Monday through Friday, between 11:00 a.m. and 4:00 p.m. On August 19-23 and 26-27, the Photo ID Office will be open from 8:30 a.m. to 4:00 p.m. On August 28, regular office hours of 11:00 a.m. to 4:00 p.m. will resume.

You must have some other form of picture ID with you when you go to have your student ID made. Your initial ID is free, but there is a charge for replacement IDs. (Continuing education and SAVE students do *not* receive an initial free ID.)

Special Services Form

This form, which allows you to choose special services such as the yearbook, tickets for the Artist Series, and Career Services programs, must be turned in to complete registration. You do not have to choose any of the services, but you must turn in the form as a part of your

registration. Please follow the instructions for filling it out, sign your name, and mail it in the return envelope via U.S. mail or campus mail. You may also drop it off at the Office of the Registrar in Regent 105 or the student services satellite office in UMC 165.

Stops on Your Registration

When you call CU Connect, you may get a message that you have a "stop" on your record. Stops are holds that the University puts on student records for various reasons. They originate from financial obligations, academic concerns, or even disciplinary matters. **You will not be allowed to register until all stops have been cleared.**

Most often, you will know about a stop before calling CU Connect, because a message will be printed on your invitation to register. However, stops can occur at

any time in the registration process, so you should make it a point to know the status of your student record.

If you have a **financial stop**, which indicates unpaid University debts, you may be withdrawn from your fall classes if you fail to pay your bills. Please check with the Bursar's Office in Regent 150, (303) 492-5381.

If you have been placed on a **scholastic stop**, check with your dean's office. You won't be allowed to register for fall until the stop has been removed.

Transcripts

If you would like to get a copy of your CU academic record for advising purposes, you may call 492-6907 to request that an *unofficial transcript* be sent to any department on campus.

An *official transcript* containing your complete academic record (with the embossed seal of the University) can be requested in writing from the Office of the Registrar. There is no charge for an official transcript request processed within five working days. Rush orders (processed within one day) cost \$3 per copy.

CONFIRMED REGISTRATION

If you are a **continuing student**, a **new graduate student**, or a **readmitted student registering before August 16**, you will be able to call CU Connect to register for classes, list your schedule, drop and add classes, and sign up for course wait lists. You will receive immediate confirmation of your enrollment in courses.

1 Receiving Your Registration Invitation

You will be mailed a personalized **invitation to register** indicating the date and time you can call CU Connect to register for classes. You can call any time *after* your time assignment begins, through August 16 (with the exception of July 21-26). However, because confirmed registration is conducted on a first-come, first-served basis, it's to your advantage to call as soon as possible. Classes fill up throughout the registration period.

Registration **time assignments** are based on class rank, with graduating seniors receiving the earliest assignments. Graduate and law students register next, then first-semester freshmen (those with 12 or fewer hours), juniors, sophomores, and second-semester freshmen.

Your invitation to register includes your **personal identification number (PIN)**, which allows you to access CU Connect. Keep it confidential. If you need to change it, come to the Office of the Registrar in Regent 105, and another PIN will be assigned to you.

A financial, academic, or miscellaneous registration "stop" may also be indicated on your invitation to register. These stops can prevent you from registering. Please see page 7 for more information.

2 Filling Out Your Registration Form

Use the **schedule worksheets** in the back of this handbook to fill out a preliminary schedule for fall 1991. Then, fill out your **confirmed registration form** on page 87 before you call CU Connect. It is always a good idea to include alternate requests on your form so you will be ready to enter them when prompted by the computerized telephone voice.

3 Getting Academic Advising

If you are required to see an **academic advisor** (indicated on your invitation to register), call or visit your department office as soon as possible. You will need to bring your completed registration form to your appointment. You will not be allowed to register until you have met with your advisor.

4 Registering for Fall Courses

Call CU Connect, (303) 938-8110, from any touch-tone phone. To log on to the system, you must enter the following information using the telephone key pad. (The key pad and a list of CU Connect function codes appear

You can then enter your courses using the touch-tone key pad. You must end every transaction by pressing the pound key (#) and waiting for the computerized telephone voice to respond before proceeding with your next entry.

To **add** a course, press 2* before the course call number, then #.

To **drop** a course, press 3* before the course call number, then #.

To list your schedule, press 5#.

To select the **pass/fail** grading option, press *2 between the course call number and #.

To request a course for **no credit**, press *1 between the course call number and #.

To add an **independent study** or **controlled enrollment** course, you must get permission and the appropriate five-digit course call number from the department offering the course.

To request a **variable credit** course, determine how many credits you would like to receive for the course. Then, enter the number of credits you have chosen when prompted by CU Connect.

If a course is closed, CU Connect gives you the option of **searching for another available section**. It will prompt you to press 7#.

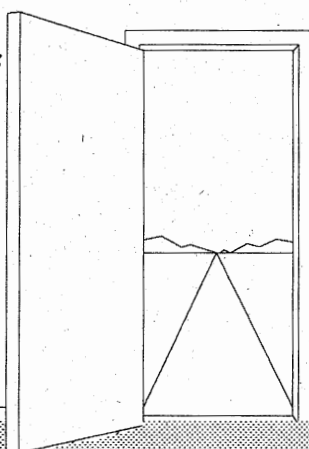

If CU Connect gives you the option of adding your name to a course **wait list**, it will prompt you to press 9#.

5 Adjusting Your Fall Schedule

Once you have registered, you will be able to make adjustments to your schedule by calling CU Connect and dropping or adding classes. COURSE-REQUEST REGISTRATION

If you are a new freshman or transfer student, or are beginning registration between August 18 and 21, you will request courses for your fall schedule. Most colleges and schools have a mandatory orientation session for new students. If you are involved in such a program, you will receive registration materials and request courses via CU Connect at orientation. If you are a new student and are *not* required to attend an orientation session, registration materials will be mailed to you and you will be able to request classes during the summer.

With your registration materials, you can call CU Connect to request your classes. You will need to use a touch-tone phone, either from on campus or off campus. Although you won't be permitted to call before the assigned time period noted on your invitation to register, you may call *at that time or any time thereafter* (until August 21 at 5:00 p.m.).

1 Creating Your Fall Schedule

Begin with the schedule worksheets in the back of this handbook. Fill out a preliminary schedule, making sure to include alternate choices. Try to create a schedule without time conflicts (most Monday-Wednesday-Friday classes are scheduled for 50 minutes, while most Tuesday-Thursday classes are scheduled for 75 minutes). Be sure to include any required labs or recitations in your schedule.

2 Filling Out Your Registration Form

Next, fill out the **course-request registration form** on page 89. You will have the option of entering an alternate (second-choice) course for each course you request when you call CU Connect. On the course-request registration form, indicate alternate courses that you would like to take if your primary (first-choice) classes are full.

Alternate courses should be entirely separate courses, not just different sections of your first-choice courses. When placing you into classes, CU Connect will automatically search for open sections of any class you enter as a first choice that fit in with your schedule.

3 Getting Academic Advising

If you are required to see an academic advisor (indicated on your invitation to register), you will need to have your completed registration form approved before you will be allowed to register.

4 Registering for Fall Courses

Call CU Connect, (303) 938-8110, from any touch-tone phone. You may call from either on campus or off campus. If you call and CU Connect is busy or not available, please call at another time.

Dates for course-request registration are restricted to certain periods. If you participate in an orientation program, you will register during the program. If you are registering from home, dates are restricted to **July 21-26 and August 18-21. You must complete your registration by 5:00 p.m. on August 21.** Students who have not registered by this time may not be able

to register at a later time, unless their category is open for late registration. In addition, lower priority and late fees apply.

To log on to the system, you must enter the following information using the telephone key pad. (The key pad and a list of CU Connect function codes appear on page 12.) When prompted by the computerized telephone voice, enter:

- the action code, which is 7003 #
- the fall term code, which is 917 #
- your University student number _____ #
- your personal identification number (PIN) _____ #

After logging onto the system, you can enter your course requests using the touch-tone key pad. You must end every transaction by pressing the pound key (#) and waiting for the telephone voice to respond before proceeding with your next entry.

To **request** a course, press 6* before the course call number, then #. After you have requested each primary (first-choice) class, you may then enter an alternate (second-choice) course request.

If the course you request has a required associated **lab or recitation**, CU Connect will prompt you to enter the call number of that associated course. Required labs and recitations are referred to as "second- and third-level activities."

To **change** your course requests, press 3#. This will delete all of your previous requests. *You must then re-enter your entire*

COURSE-REQUEST REGISTRATION

requested schedule with any changes, additions, or deletions. The computerized telephone voice will guide you through these steps.

To select the **pass/fail** grading option, press *2 between the course call number and #.

To request a course for **no credit**, press *1 between the course call number and #.

To add an **independent study or controlled enrollment** course, you must get permission and the appropriate five-digit course call number from the department offering the course.

To request a **variable credit** course, determine how many credits you would like to receive for the course. Then, enter the number of credits you have chosen when prompted by CU Connect.

5 Fine-tuning Your Course Requests

The requests you make by telephone are stored in the computer. This allows you to make changes to your requests during the request period noted on your invitation to register. If you haven't made all your changes by 5:00 p.m. on August 21, you will have to wait to make changes until your schedule adjustment time assignment begins on August 26.

To make a schedule change, you must **delete** all your requests from the system by entering 3#. Then, **re-enter** your entire requested schedule in addition to your new requests. **Be sure to keep your registration form as a record of the courses you request.**

Use the telephone course-request period wisely. By calling CU Connect, listing your requests, and then changing those

requests or adding alternate selections, you can fine-tune your requested schedule before the fall semester begins.

6 Sectioning of Course Requests

CU Connect takes all the course requests made by new students and checks that there are no financial or academic "stops" on students' records. Then students are placed in courses. The computer must make many determinations before finalizing schedules, such as space availability and student eligibility.

Space in many classes has been specifically reserved for new students.

7 Picking Up Your Schedule/Bill

You can pick up your schedule/bill on Monday, August 26. Please see page 15.

8 Adjusting Your Fall Schedule

After you have received your schedule/bill, you can make adjustments by dropping or adding classes as needed. The schedule-adjustment period runs for the first three weeks of the semester (Monday, August 26, through Friday, September 13). Instructions for adjusting your schedule can be found on pages 16 and 17.

CALLING CU CONNECT

Call CU Connect, (303) 938-8110, from any touch-tone phone, either on campus or off campus. If you are using an on-campus phone, dial "8" before the number. You may call anytime *after* your assigned time begins.

CU Connect is available Monday through Friday, 7:00 a.m. to 7:00 p.m. and 8:00 p.m. to 10:00 p.m. It is also available on Sundays from 11:00 a.m. to 9:00 p.m.

To log on to the system, you must enter the following information using the telephone key pad. When prompted by the computerized telephone voice, enter:

- the action code, which is 7003 #
- the fall term code, which is 917 #
- your University student number _____ #
- your personal identification number (PIN) _____ #

You must end every transaction by pressing the pound key (#) and waiting for the telephone voice to respond.

Searching for Open Course Sections

If you request a course that has been cancelled or is full, *and you are registering via confirmed registration*, the computerized telephone voice will ask you if you want to conduct a search for open sections of that course. Simply press 7#. CU Connect will look for another section of the course available during the same time slot. If one is available, it will place you in that section. If one is *not* available, it will search for any open section beginning with the first numbered section of the course that is open and fits in with your schedule.

CU Connect will continue the search until an open section is found that fits your schedule or until it is determined that no open section for that course is currently open and available.

Course Time Changes

Sometimes academic departments must change the time a course is offered after the *Registration Handbook and Schedule of Courses* has been published. If this is the case, the department cancels the original section and adds a new section that reflects the time change. If you register for a course and CU Connect tells you the course has been cancelled, *please try the search option (7#)*. CU Connect will let you know if the new section of the course with the time change is available and fits in with your schedule.

Listing Your Schedule

You can list your schedule anytime by logging on to CU Connect and then pressing 5#. If you decide to put your name on a course wait list, you will want to list your schedule frequently to find out if you have been enrolled in the class. Please see the next page for more information on wait lists.

USING WAIT LISTS

Throughout confirmed registration and schedule adjustment, if you are eligible to take a course but find that it has been closed, you may be able to put your name on a computerized wait list. A **wait list** is a registration feature that allows you to place your name on a list for a course that is currently filled but may have openings later in the registration process. Each department determines if a wait list will be offered for a course and what type of list will be used. There are two types of wait lists: automatic and resequenced.

The **automatic wait list** is set up on a first-come, first-served basis. As a vacancy occurs in a class, the person at the top of the list is automatically enrolled.

The **resequenced wait list** uses a priority system to determine who gets to enroll in a course as spaces open up. Priorities are established by the department, and are usually based on class standing and/or major. Priorities may change during the registration period.

CU Connect will inform you if a class you have requested has a wait list and will give you the option of adding your name to the list. Simply press 9# when prompted and listen for verification.

Wait Lists for Labs and Recitations

If you are closed out of a lecture course that has a lab or recitation, you can only be placed on a wait list for the lecture portion of the course. Once you are enrolled in the lecture course from the wait list, you can then try to add the lab and/or recitation via CU Connect.

The system refers to labs and recitations as “**second- and third-level activities.**” You must be enrolled in required labs and recitations by **September 13**, the last day of schedule adjustment.

Wait-List Positions

When you place your name on a wait list, the total number of students already on the list is announced. As wait-list positions constantly change during the registration and schedule-adjustment periods, specific position information cannot be made available until the week of August 26.

If you choose *not* to remain on a wait list, please drop your name from it as soon as possible by entering 3*. Other students will be waiting to enroll in the course.

Important!

If you place yourself on a wait list during registration or schedule adjustment, it is **your responsibility to call CU Connect** to find out if you have been enrolled in the

class. When a space opens up for you from a wait list, you will be enrolled automatically in the class. **No verification will be sent.**

You must check your schedule via CU Connect periodically to confirm your enrollment. Simply press 5# after logging onto the system.

Remember: If you find that you have been enrolled in a course that you no longer want, please drop it as soon as possible so other students can enroll in the class.

Deadlines for Wait Lists

You will be able to place your name on course wait lists through **Tuesday, September 10**. At the end of that day, all wait lists will be frozen. If you still want to be enrolled in a class as of September 11, **please check with the department offering that course.** You *must* let the department know you are still interested in the course, should an opening occur. **There is no automatic enrollment from wait lists after September 10.**

If you are automatically enrolled from a wait list in a class you no longer want and fail to drop it by September 13, **you may be charged tuition for the class.** Also, if you do not attend a course you have been enrolled in, **you will receive an F for that class.**

GETTING YOUR SCHEDULE/BILL

You can pick up your official schedule/bill on **Monday, August 26, 8:30 a.m. to 4:00 p.m.** If you are a student in the College of Arts and Sciences, you can pick up your official schedule/bill at Balch Fieldhouse. If you are a student in another college or school (business, education, engineering, environmental design, journalism, music, pharmacy), or if you are a graduate student, you can pick up your schedule/bill at the Coors Events/Conference Center. Law students pick up their schedule/bills at the School of Law.

You do not have to arrive at 8:30 a.m.; schedule/bills will be available all day. You can avoid the crowds by picking up your schedule a bit later in the day.

Try to pick up your schedule/bill on August 26. If a University error has occurred with your schedule, it can best be corrected on that day.

Schedule/bills will then be available from August 27 to August 30 at the Coors Events/Conference Center. (On August 27 between 3:00 p.m. and 4:00 p.m., you may pick up a copy of your schedule/bill and have your ID validated in Regent, Room 4.) After these dates, schedule/bills need to be picked up at the Office of the Registrar in Regent 105, between 9:00 a.m. and 4:00 p.m.

Understanding Your Schedule/Bill

Your class schedule lists the courses for which you are registered. If a message instead of a course title is listed or a course you requested does not appear, it means you are not registered for that course.

Your schedule also includes a **time assignment** for dropping and adding courses during final schedule adjustment (the first three weeks of the fall semester,

August 26 to September 13). See "Adjusting Your Schedule" on pages 16 and 17 for more information.

Messages That May Appear on Your Schedule

Some of the reasons you may not have been enrolled in a course are explained below.

"STUDENT INELIGIBLE FOR COURSE"

- **Class Restriction.** Class enrollment may have been limited to students who had earned a certain number of hours by the end of spring semester or by class level. Class restrictions are not likely to change during the schedule-adjustment period.
- **Controlled Enrollment.** Special authorization was required from the department before requesting this class. You may discuss enrollment with the department.
- **Major Restriction.** Enrollment was limited to students in specific majors, colleges, or schools. These restrictions are not likely to change during the schedule-adjustment period.

"COURSE CANCELLED"

Either the course or the section you requested was cancelled. Refer to the department for additional information or try to add a different section.

Check Your Schedule

Any time after your schedule adjustment time assignment begins, you can use CU Connect to list your schedule (use the 5# function code). *It is your responsibility to make sure your class schedule is correct!*

ADJUSTING YOUR SCHEDULE

You may use CU Connect to list your schedule and to make changes during your registration period as well as during **final schedule adjustment** (the first three weeks of the fall semester, August 26 through September 13).

Schedule Adjustment Time Assignments

Students who registered via course-request registration can drop and add classes *by time assignment only* on the first day of final schedule adjustment (**Monday, August 26**). All other students will be eligible to drop and add classes beginning on **Tuesday, August 27**. Both drop/add days begin at 8:30 a.m.

Time assignments will be strictly enforced. The system will not allow early transactions; therefore, you will not be able to drop or add classes before your time assignment. Time assignment priorities are determined by the number of credit hours listed on your schedule. Students with the fewest number of listed hours get the earliest time assignments.

How to Adjust Your Schedule

First, complete the **schedule adjustment form** found on page 92 of this handbook, filling out the call numbers, department abbreviations, and course numbers of courses that you want to drop and add to your schedule. Because there will be many closed courses, you should have several second-choice courses available. Lists of available courses can be found at the central schedule adjustment site (Coors Events/Conference Center) as well as in UMC 165 and the lobby of Regent. You can also look up available courses on CULine (see right).

If you would like to add a **controlled enrollment or an independent study**

course, you will need to go to the department offering the course. Staff there will either be able to enroll you in the course on-line or will give you a special action form to take to the central drop/add location.

Looking for Available Classes on CULine

To look for available classes at any time during the registration and schedule-adjustment periods, you can access "CULine" from a terminal. CULine will list courses that are more than 10 percent open, and entries will be updated regularly.

To access CULine, go to a Computing and Network Services (CNS) computer site (for example, at the Computing Center, the Business Building, or the Engineering Center), or dial up the ISN system through CNS. On most computers, you will be able to log on to the system by hitting the "break" key. If you have any difficulties, computing advisors can help you at (303) 492-1615.

Once the connection to CULine has been established, do the following:

1. In response to the terminal prompt
UCB ISN NETWORK
SELECT A RESOURCE:
Type CULINE and press RETURN.
2. The terminal will respond with
TRYING...
CONNECTED
You must press RETURN again.
3. When you receive the prompt
USERNAME
You again type CULINE,
and CULine will start up.
4. From the menu, choose
STUDENT ADMIN INFO
by moving the cursor down with the
arrow keys and pressing RET.
5. At this menu, select
COURSE AVAILABLE
You will see your help and list options.

Adjusting Your Schedule at a Terminal

To make changes to your schedule at a computer terminal, you may go to *any* of the following CU Connect computer terminals set up throughout campus after your time assignment begins. When adjusting your schedule at a computer terminal, you must have course numbers and section numbers; **call numbers are not used at computer terminals**. Refer to your completed schedule adjustment form.

ADJUSTING YOUR SCHEDULE

If you want to make a section change or a change of pass/fail, no credit, or variable credit status, remember to make these changes at a computer terminal. *This is for your own protection!* In order to make any of these changes, a course must be dropped and then immediately added. If you make these changes by phone, there is the possibility you won't be able to add the course once you have dropped it. Please make these changes at a terminal.

Adjusting Your Schedule by Phone

You may drop and add classes via CU Connect any time after your schedule adjustment time assignment begins.

To adjust your schedule by phone, follow the procedures used for confirmed registration (see "Registering for Fall Classes" on page 9 or "Calling CU Connect" on page 12).

Remember: Whenever you drop a class, it goes into the central pool of classes and someone else may then add it.

Drop/Add Deadlines

The deadline for dropping and adding classes for fall semester 1991 is **4:00 p.m., Friday, September 13**. After that time, no adds will be permitted, and no tuition adjustments will be made for dropped classes. Please make your changes early to avoid the deadline rush.

After September 13 and through October 8 (4:00 p.m.), you must be passing a course to drop it, and a special action form must be completed by your instructor and turned in to the registrar's office.

Do not put off dropping a class! Courses dropped by September 13 will not appear on your CU transcript. Courses dropped after September 13 will appear on your transcript with the grade of *W*.

After October 8, you cannot drop a course unless there are circumstances clearly beyond your control (accident, illness, etc.). To drop a class after October 8, you must have your instructor's approval as well as the approval of your dean. Their signatures must be on your special action form or it will not be processed.

Deadline for Wait Lists

You will be able to place your name on wait lists through **Tuesday, September 10**. After that date, wait lists will be frozen. If you still want a class as of September 11, **please check with the department offering the course.**

You *must* let the department know you are still interested in the course, should an opening occur. **There is no automatic enrollment from wait lists after September 10.** All department wait lists will be cancelled at 4:00 p.m. on Friday, September 13, the last day to drop and add classes.

Wait Lists—Important!

Remember to check CU Connect for your wait-list status. It's easy to do! Simply call CU Connect after your time assignment to list your schedule, or go to a terminal to check your status. If you forget that you are on a wait list and are placed in a class and do not drop it by September 13, **you may be charged tuition for the class, and you will receive an F.**

Administrative Drops

Administrative drops are initiated by departments. If you have not met all the prerequisites for a course, or if you do not attend your courses regularly during the first few weeks, you may be administratively dropped from any course. Please check with departments for policies concerning administrative drops.

Note on Dropping Courses

If you stop attending a course without officially dropping it, you will receive a grade of *F* in that course.

UNDERSTANDING TUITION AND FEES

The following tuition and fees rates were in effect for the 1990-91 academic year. New rates for 1991-92 will be set by the Board of Regents in June.

Tuition and fees are due by **Friday, September 6**. You may drop off your payment at one of the tuition drop boxes in Regent or mail it via U.S. mail. There are penalties for nonpayment and for late payment. Please see page 20.

Understanding Tuition Charges

- After September 13, there will be no tuition adjustment for courses dropped. However, tuition for classes added will be assessed and billed.
- A tuition surcharge is assessed for every credit hour over 18 (except in the School of Pharmacy, where students are assessed for every credit hour over 17).
- Tuition for a no-credit course is the same as for a course taken for credit.
- Tuition for a 0 credit-hour course is charged at the rate of a 1 credit-hour class.

Residency

If you're an out-of-state resident seeking in-state classification for fall 1991, you should turn in your residency petition by 4:00 p.m., August 1, 1991, to the Tuition Classification Office in Regent 105, Campus Box 7, CU-Boulder, Boulder, CO 80309-0007.

Petitions will still be accepted through August 30, but you are unlikely to receive a decision by the tuition payment deadline. Adjustments will be made when applicable.

Students submitting a completed petition by May 15, 1991, will receive a decision by the enrollment deposit refund deadline of July 15. If you are a financial aid recipient seeking in-state classification, be sure to submit your petition by May 15 to make sure your financial aid award is processed in time for fall.

Complete information regarding the requirements for in-state residency status is available from the Tuition Classification Office, Regent 105, telephone (303) 492-6868.

UNDERSTANDING TUITION AND FEES

Understanding Student Fees

Mandatory UCSU student fees (\$160.05 per semester during 1990-91) are considered as important as tuition and may only be waived due to extraordinary circumstances. If fees are waived, students must still pay the base fee (\$22.26 in 1990-91). Students who wish to petition for a waiver must do so by 4:00 p.m. on September 13. No late petitions will be accepted. Petitions may be picked up and turned in at the Bursar's Office, Regent 150, and must include documentation of the reasons for waiving the fees. **Note:** Students covered by the student health insurance cannot have their full student fees waived.

All students taking one course of 5 or fewer hours will be assessed a **base fee** (\$22.26 was charged in 1990-91) and will receive a base-fees sticker for their ID. These students will not be allowed to use Wardenburg services or the Recreation Center unless they pay separate, one-time user fees or full student fees. Doctoral students taking thesis hours only, master's candidates for degree, approved doctoral candidates, and fifth-year pharmacy students will be assessed only the base fee.

In addition, all students are assessed a nonrefundable \$4.00 **Student Information System fee**. Also, students registered for 4 or more credit hours are assessed an **athletic fee** of \$33.00 each semester. A **student computing fee** was instituted in fall 1990. The fee provides basic computing and information services for students. Students enrolled for 6 or fewer credit hours are charged \$5.00; students enrolled for 7 or more credit hours are charged \$10.00.

There is a one-time nonrefundable **matriculation fee** of \$15.00 for new degree students assessed at the time of initial registration. The matriculation fee covers processing charges for adding or dropping courses and for official transcripts. Non-degree students who are admitted to

degree status are assessed the matriculation fee at the time of their first registration after they have become degree-seeking students.

The \$200 **enrollment deposit** you paid either last semester or as part of your confirmation of admission to CU-Boulder has been applied to your record. It will be held for you until you graduate or officially withdraw from the University within established dates and guidelines (see page 20 for the "Withdrawal Refund or Assessment Schedule"). At that time, the deposit will be credited toward any outstanding financial obligations you have, and a refund will be mailed to you within approximately six weeks.

All students enrolled for 6 credit hours or more will be assessed automatically for **student health insurance**. During 1990-91, the fee was \$340.00 per semester. Students who already have adequate health insurance coverage may complete a waiver to remove this charge from their bill.

Waivers must be turned in to Wardenburg Student Health Service by September 13 to be honored. (Waivers submitted in fall 1991 will extend through spring semester 1992.) Students may use Wardenburg services without being enrolled in the University-sponsored insurance plan. However, the plan does provide first-dollar coverage for any eligible medical costs incurred at Wardenburg and provides 75 percent coverage after a \$300 deductible is satisfied at other medical facilities.

If you are taking one course of 5 or fewer semester hours, the University-sponsored health plan is available at the same price that full-time students pay. To become eligible to purchase the insurance, you must first pay full UCSU student fees. **Exception:** Approved doctoral candidates requesting student group insurance will be charged full price for the insurance, plus the Wardenburg Student Health Service fee (\$71.64 in 1990-91).

PAYING YOUR BILL

To pay your bill, make out a personal check, certified check, or cashier's check to the University of Colorado. Make sure your name and student number are on the check. Mail the check with the top portion of your bill to the Denver post office box noted on the bill, or use one of the tuition drop boxes in the lobby of Regent. *Do not use campus mail.* The payment deadline is **4:00 p.m. on Friday, September 6.**

There will also be tuition-payment drop boxes at the deferred tuition area in the Coors Events/Conference Center from August 26 through September 6.

If you are using the U.S. Postal Service, please mail early. The University must receive your bill by September 6. *Postmark dates are not honored.*

Tuition Payment Option— Deferred Tuition

If you have any doubt at all about being able to pay your full bill by September 6, apply for deferred tuition. With this option, you can defer payment of one-half your tuition and fee bill until **October 11.** Please be aware that the unpaid deferred balance will be subject to a one percent-per-month finance charge.

To take advantage of the deferred tuition option, you'll need to complete an application form at the southeast concession stand at the Coors Events/Conference Center **before September 6.** Hours are 8:30 a.m. to 4:00 p.m., except for Tuesday, August 27, when the hours are 8:30 a.m. to 3:00 p.m.

Failure to Pay in Full by the Deadline

University policy requires us to place a financial stop on your record if you fail to pay your full tuition and fee bill by October 11, 1991. This stop will prevent you from registering for any future terms, receiving your diploma, or receiving a transcript of your work at the University.

A late-payment charge of \$5 to \$50 in addition to a service charge (one percent per month) will be assessed on your unpaid balance.

Withdrawal Procedures

If you anticipate withdrawing from CU-Boulder, please do so officially. If you need to withdraw from fall semester 1991 before August 28, you can fill out a withdrawal form in the registrar's office or write a letter to the Withdrawal Coordinator, Office of the Registrar, Campus Box 7, CU-Boulder, Boulder, CO 80309-0007. You may also withdraw by dropping all of your courses via CU Connect by **Tuesday, August 27.**

If you withdraw on or after the first day of classes (August 28), you must complete a withdrawal interview. The interviewer will discuss the procedures for withdrawing, as well as your reasons for leaving. You won't need to drop your classes; that will be done for you.

If you don't officially withdraw, a failing grade may be recorded for all of your classes. **Remember:** Deadlines and rules for withdrawing may vary with each college and school. Check with your dean's office.

Time Out Program

For those of you who would like to take a planned leave from CU-Boulder for a semester or a year, the Time Out Program (TOP) provides an opportunity to leave without losing your place in your college or school. You must be in good academic standing and have your dean's approval. Your place will be guaranteed when you return, providing you meet registration and deposit deadlines. An application fee of \$30 is charged. More information is available from the Office of the Registrar, Regent 105, phone (303) 492-8673.

Note: If you are registered for the semester you plan to begin TOP, you must formally withdraw. See the "Withdrawal Refund or Assessment Schedule," above.

FINANCIAL AID

If you register for a full-time course load and sign and return your financial aid award offer, your scholarship or grant will be applied automatically to your schedule/bill. Checks for the balance of financial aid funds will be available at the Coors Events/Conference Center, **August 26 through September 6, 8:30 a.m. to 4:00 p.m.** Beginning September 9, you may pick up your check at the Bursar's Office in Regent. *Checks for the balance of a loan will not be mailed.*

Perkins Loan

If you are awarded and accept your Perkins loan and sign your promissory note, your Perkins loan will be applied to your bill. If you did not sign the promissory note, you may do so at the Coors Events/Conference Center August 26 through September 6, 8:30 a.m. to 4:00 p.m.

Beginning September 9, you may sign your promissory note at the Bursar's Office. If you have questions about Perkins loans, call (303) 492-8921.

Stafford Loans

Stafford loan checks that have been received and are available can be picked up in person at the southeast concession stand in the Coors Events/Conference Center from August 26 through September 6.

Due to federal regulations, certain restrictions regarding availability of checks have been established. If you are borrowing a Stafford loan or a Supplemental Loan to Students (SLS) for the first time at CU-Boulder, you are required to attend an entrance interview before you can receive your check.

If you are an undergraduate student in the first year of your program and are borrow-

ing a Stafford or SLS for the first time at CU-Boulder, your check will be held until 30 days of the semester have passed.

In all cases, you should plan accordingly in order to have sufficient funds to help you with your expenses.

Reasonable Academic Progress

In order to receive financial aid, you must maintain reasonable academic progress toward a degree. The policy is published in a fact sheet and is available at the Office of Financial Aid, Environmental Design, Room 2.

Veterans Benefits

If you are entitled to veterans benefits, it's important that you write or call the Veterans Affairs Office, UMC 165, Campus Box 209, CU-Boulder, Boulder, CO 80309-0209, (303) 492-7322.

Taste it . . . Smell it . . . Feel it . . . Rush is in the air! Spice up your college days at the University of Colorado . . . go Greek!

Greek life adds extra zest and flavor to your college life. Thousands of students have enjoyed what greeks have to offer over the years. Since 1886, sororities have played a vital role in student life at CU.

Sorority members have recognized the many opportunities in academics, community service, leadership, and athletics. Greek life is fun . . . it's challenging . . . and it's something you should experience!

Greek life is a decision that will last your entire lifetime. After graduation, you'll always have a place on campus to call home. Whether or not you think you would like to join a sorority, rush week is a good time to meet new friends and to get a taste of what Greek life is all about!

To participate in CU Rush '91, or if you would like more information, contact the Panhellenic office at (303) 492-6359 or write to:

OTHER REGISTRATIONS

A number of different registrations are held each semester for specific categories of students. If you have questions about any of these special registrations, please call the number listed in that section.

Concurrent Registration

If you plan to take at least one course at CU-Boulder in the fall but cannot obtain course work required for your degree program, you may be able to register concurrently on another CU campus. The course work must be required for your degree program, you must have your dean's permission, and enrollment levels must not have been reached on the other campus. Graduate students must also have their advisor's approval. If all these conditions are met, you can register for up to two courses or 6 credit hours, whichever is greater, on another CU campus.

Concurrent registration forms and instructions will be available at the registrar's office in Regent 105 beginning August 19, from 9:00 a.m. and 4:00 p.m. You cannot register concurrently until *after* schedule adjustment has begun on the other campus. Boulder students pay Boulder tuition rates for all classes. For information, please call (303) 492-6970.

High School Nondegree Registration

If you are a local high school student with an outstanding academic record, you can enroll at CU-Boulder and the credit you earn can be applied to your high school graduation or to college-level transfer credit. Registration is carefully guided and must take place in person. Please call the Office of Admissions at (303) 492-6301 for further information.

Intercampus Registration

If you would like to take course work on another campus of the University of Colorado, you may be able to register directly on that campus. However, you must apply for admission to that campus and follow its registration procedures. Please check with your dean's office for approval. (Students in the College of Arts and Sciences may not register at the Denver or Colorado Springs campuses except in the summer.)

On-Campus Registration

Students who are not required to attend an orientation and who have not registered for fall before August 20 may pick up registration materials in Regent 105 on August 21 between 9:00 a.m. and 4:00 p.m. Telephone registration must be completed by 5:00 p.m. on August 21. This registration does not apply to students who must attend a required orientation program. For more information, call the registrar's office at (303) 492-6970.

Registration for Faculty and Staff

All permanent faculty and staff members at the University may take 1 to 6 free credit hours each year. The academic year begins with summer session, and the number of free hours is determined on a prorated basis from full-time employment status. Enrollment usually occurs on a space-available basis in conjunction with late registration (beginning August 27), unless the faculty or staff member wishes to register early. In that case, registration takes place via CU Connect before August 21, and full tuition and fees are charged.

Faculty and staff members who wish to take a course as nondegree students will need to take a copy of their current personnel action form and a nondegree student application to the Bursar's Office,

Regent 150, by July 26. Office hours are 9:00 a.m. to 4:00 p.m. (Faculty and staff who are enrolled as nondegree students on the Boulder campus during spring semester 1991 will be set up automatically for fall 1991, although application for free credit hours must be made separately each semester.)

Student activity fees will *not* be charged if registration takes place during final schedule adjustment, with the exception of the \$4.00 Student Information System fee that every student must pay and the student computing fee of \$5.00 or \$10.00 (depending on the number of credit hours taken).

Course work must be taken outside of scheduled working hours or an adjusted work schedule must be established that is acceptable to the employing department. For more information, call (303) 492-4369.

Space-Available (SAVE) Registration

Boulder campus classes may be taken by nondegree students on a space-available basis. Registration takes place at the Division of Continuing Education, 1221 University Avenue, beginning August 29. To be eligible, students must *not* have been refused admission to a degree program, must have a minimum 2.00 GPA at all institutions, and owe no debts to any CU campus. Tuition charges are identical to CU-Boulder rates, and payment is due in full upon enrollment. For more information, call Continuing Education at (303) 492-5148.

More information on the following academic policies can be found in the *Student Handbook* and in the *University of Colorado at Boulder Catalog*.

Academic Integrity

A university's intellectual reputation depends on the maintenance of the highest standards of intellectual honesty. Consequently, commitment to those standards is a responsibility of every student and every faculty member at the University of Colorado at Boulder.

Breaches of academic honesty include cheating, plagiarism, and the unauthorized possession of exams, papers, or other class materials that have not been formally released by the instructor.

Cheating may be defined as using unauthorized materials or giving or receiving unauthorized assistance during an examination or other academic exercise.

Plagiarism may be defined as the use of another's ideas or words without acknowledgment.

Sanctions. Breaches of academic honesty will result in disciplinary measures that may include a failing grade for a particular assignment or a particular course, and/or suspension for various lengths of time, or permanent expulsion from the University.

Breaches of academic honesty are under the purview of each college and school pursuant to the Laws of the Regents, Article V, Section C. For further information and for individual college and school policies, consult with your dean's office.

Academic Standing

Generally, to be in good undergraduate academic standing at CU-Boulder, you must maintain a 2.00 GPA (*C* average) or better. If you cannot maintain this average, a scholastic stop may be placed on your registration.

Graduate students are expected to maintain a 3.00 GPA (*B* average) or better.

Please check individual college and school policies in the University catalog for information on specific GPA requirements and on scholastic stops.

Final Examination Policy

See page 27 for the final examination schedule.

It is the policy of the University of Colorado at Boulder to adhere to the final examination schedule as published in the *Registration Handbook and Schedule of Courses* each semester. While it may be appropriate to not give a final in some cases, such as laboratory courses, seminars, and colloquia, final examinations should be given in all other undergraduate courses. Unless otherwise notified in writing during the first week of classes, students must assume that a final examination will be given.

In addition to the principles stated above, the following guidelines should be followed by all faculty members and administrators in order to assure fairness and the best possible educational experience for students.

1. The scheduled final examination period should be considered an important part of the course and used as a final

examination period or for additional instruction.

2. The final examination in a course must be given as scheduled and not at other times, even if the faculty member and all students in a course agree to such a change.

3. The week of classes preceding the scheduled final examination period should be used primarily for continued instruction and may include the introduction of new material. No hourly examinations are to be given during the week preceding final examinations.

4. Individual students may be granted a variance from these policies provided the instructor is satisfied that (a) the exception is based on good and sufficient reasons (such as religious observances), and (b) such an exception for an early or late examination will not prejudice the interests of other students in the course.

5. When students have three or more examinations on the same day, they will be entitled to arrange an alternative examination time for the last exam or exams scheduled on that day. Such arrangements must be made no later than the end of the sixth week of the semester (*i.e.*, at the end of the drop period). Students will be expected to provide evidence that they have three or more examinations to qualify for exceptions.

6. This policy applies to all undergraduate students, including seniors. Graduating seniors should not be exempted from final examinations. Such exemptions are inappropriate on both procedural and academic grounds.

ACADEMIC MATTERS

Graduating Students— Commencement

If you're planning to graduate this coming year, please check with your college or school dean's office for graduation application deadlines and notification procedures. Some colleges and schools require consultation in the semester *preceding* the semester of graduation.

Rights and Privacy— Education Records

The Family Education Rights and Privacy Act of 1974 protects the privacy of education records. However, certain information is considered public or "directory" information. Such information may be released to anyone unless students inform the Office of the Registrar that they do not wish the information released.

Directory information includes name, address, phone number, date and place of birth, major field of study, participation in University activities or sports, dates of attendance at the University, full- or part-time enrollment status, degrees and awards received, educational institutions attended, and weight and height of athletes.

To prevent release of the above information (and to prevent your name and address from appearing in the *1991-92 Directory*), you must go to the Office of the Registrar **before September 13** to request that directory information about you be withheld. Once requested, nondisclosure of directory information will remain on your record until you are no longer enrolled at the University.

A complete summary of University policy on the release of student information is available in the *University of Colorado at Boulder Catalog*, the *Student Handbook*, and at the Office of the Registrar, Regent 105. For further

information, call (303) 492-6907, and ask for the records supervisor.

Student Conduct

The standards of conduct and the procedures for implementing them have been developed by the Student Conduct Advisory Board composed of students, faculty, and staff.

In establishing these standards, the University has taken into account students' rights as individuals, as well as the general welfare of the University community. The University would be remiss in its responsibility to students and the community if it ignored behavior that violates the rights of others. It is also essential that everyone share in the commitment to protect the integrity and personal safety of each member of the campus.

In most cases, if an individual is found in violation of one of the standards of

conduct, the University's primary interest will be to help the individual avoid further inappropriate behavior and become a responsible member of the University community. However, if an individual fails to correct inappropriate behavior, or if the violation of the standards of conduct is serious, the University will consider taking disciplinary action that may include suspension or permanent expulsion. Behavior that threatens the safety or violates the basic purpose of the University community will not be accepted.

Any time that students have questions regarding the application of the standards of conduct, or feel that another person has subjected them to behavior that interferes in any manner with their rights, the University encourages students to contact the Office of Student Conduct, Willard 223, (303) 492-5550.

UNDERSTANDING COURSE LISTINGS

The following course listings are meant to be read one page at a time, going from the left column to the right column. Page and column markers have been added to help you follow the listings.

page 29, column A
(left-hand column)

page 29, column B
(right-hand column)

The abbreviations at the top of each page include:

Call No.—The five-digit number, specific to a particular term, used for requesting a specific section of a course via CU Connect.

Dept.—The department name, abbreviated to four letters.

Course No.—The four-digit number used to identify the course.

Credits—The number of credit hours for the class.

Course Title—Often abbreviated. Refer to the catalog for the complete title and course description.

Section No.—This three-digit number refers to the specific meeting pattern of the course. The three-digit number alone is the lecture number. When an R precedes the section number, it indicates that the section is a recitation (rec); when an L precedes the section number, it indicates that the section is a laboratory (lab). When a recitation or lab section is indicated, it must be taken in addition to the lecture. Some classes have all three: lecture, lab, and recitation.

Time/Days—Meeting time and days of the class (T is Tuesday, R is Thursday, and U is Sunday).

Bldg./Rm.—The building name and room number (see the list on this page for building abbreviations).

Instructor—The instructor's name, when available.

Max. Enroll.—The maximum number of students allowed to enroll in the course.

Additional course notes may be given at the beginning of a course listing, just under the course title.

When a course has a prerequisite and/or a corequisite, a note (in italics) appears just under that course.

Remember: Some courses you select may not be available to you because of college or school restrictions or because of class-size limitations. Should this be the case, CU Connect will inform you with an appropriate message.

Understanding Course Numbers

Courses are numbered according to the following guidelines:

- | | |
|------------------|---|
| 1000-2999 | Lower-division courses generally appropriate for freshmen and sophomores. |
| 3000-4999 | Upper-division courses primarily for juniors and seniors. |
| 5000-5999 | Courses primarily intended for graduate students, but may be open to qualified undergraduates under some circumstances (see individual professors). |
| 6000-8999 | Courses open to graduate students only; see individual department offices for special provisions. |

University Writing Program

Expository Writing

IF YOU WISH TO ENROLL IN A UNIVERSITY WRITING PROGRAM COURSE AT THE 1000-LEVEL, YOU SHOULD ENROLL IN A SECTION OF UWWRP 1150 WHETHER OR NOT YOU HAVE PREVIOUSLY TAKEN A COURSE IN THE UNIVERSITY WRITING PROGRAM. SHORTLY AFTER THE START OF THE SEMESTER, YOU WILL BE PLACED IN EITHER DIRECTED WRITING (UWRP 1050), EXPOSITORY WRITING (UWRP 1150), OR ARGUMENTATIVE WRITING (UWRP 1250) ACCORDING TO THE FOLLOWING GUIDELINES:

- IF YOU HAVE PREVIOUSLY TAKEN AND PASSED, WITH AT LEAST A C, A UNIVERSITY WRITING PROGRAM COURSE, YOU WILL BE PLACED IN THE NEXT HIGHER COURSE. (FOR EXAMPLE, IF YOU HAVE TAKEN AND PASSED UWWRP 1150, YOU WILL BE PLACED IN UWWRP 1250.) HOWEVER, FOR THE PURPOSE OF ADVISING, YOU WILL BE REQUIRED, DURING THE FIRST DAY OF CLASS, TO WRITE DIAGNOSTIC ESSAYS THAT WILL INDICATE YOUR SKILL LEVEL.
- IF YOU HAVE NEVER TAKEN A UNIVERSITY WRITING PROGRAM COURSE, YOU WILL BE PLACED IN A COURSE APPROPRIATE TO YOUR SKILL LEVEL, AS DETERMINED BY THE DIAGNOSTIC ESSAYS THAT YOU WILL BE REQUIRED TO WRITE DURING THE FIRST DAYS OF CLASS.

PLACEMENT WILL BE COMPLETED BEFORE THE END OF THE SCHEDULE ADJUSTMENT PERIOD. IF YOU DO NOT WRITE BOTH DIAGNOSTIC ESSAYS, YOU WILL BE ADMINISTRATIVELY DROPPED FROM THE COURSE.

YOU WILL NOT BE ALLOWED TO ADD UWWRP 1150 COURSES AFTER FRIDAY, AUGUST 31, UNLESS YOU HAVE DEPARTMENTAL APPROVAL.

UNIVERSITY WRITING PROGRAM 1150 COURSES DO NOT FULFILL THE HUMANITIES REQUIREMENT ON THE COLLEGE LIST, UNLESS YOU TOOK A S 100 DURING OR BEFORE THE FALL SEMESTER OF 1985.

Writing Workshop

SCHEDULE ADJUSTMENT FORM

This form must be filled out before dropping and adding at a terminal. List all adds, drops, section, and grade-type changes you are requesting. (Also list all of your alternate choices.) Drop/add assistants will only enter written requests. If your requests are not written on this form, you will have to drop or add those classes at another time. Course call numbers are **not** needed at a terminal, but you may want to list them for future use on CU Connect.
