Art Contest Winner

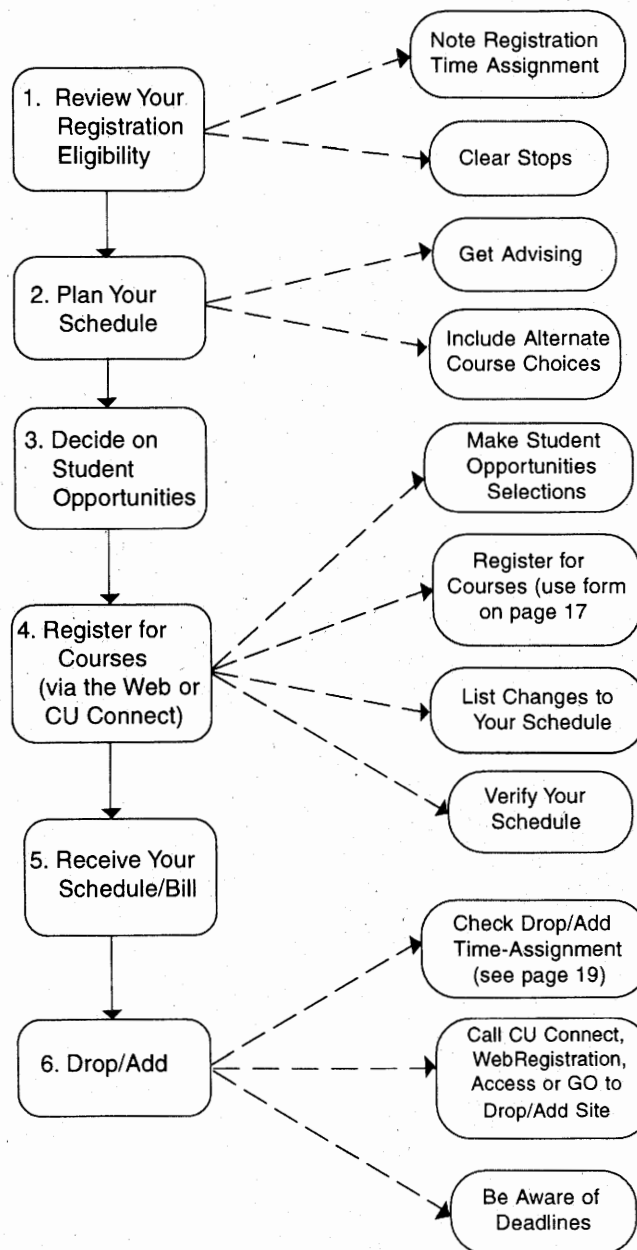

Crystal Meyer

Since I was a child I have been fascinated with painting and drawing. At an early age my parents recognized my talent and encouraged me to pursue my interest in the fine arts. A high school art teacher, long time family friend and personal mentor, Jay Peck, helped me develop and refine my skills into a mature artist. I attribute who I am as an artist to this man. Throughout the years he has spent countless hours educating me in the art of painting as well as color theory and composition. Although I am not pursuing a degree in art, I continue to keep it a part of my life. From the countless number of canvases standing by for their first application of paint, to the completed drawings hidden away in lost sketchbooks, there always seems to be something in progress.

Painting with watercolors has always been a difficult medium for me to utilize. The artwork on the cover, entitled "The Road Less Traveled", was my first successful attempt at watercolor painting. The way in which I have "framed" this artwork has now become a trademark for all the watercolors I create. The title and painting are a reflection on how it is sometimes important to break away from the mold and the paved path even if the road you go down is a little bumpy along the way.

We would like to thank Mike's Camera for sponsoring the Registration Handbook Art Contest at the University of Colorado.

Six Easy Steps to Registration

This *Registration Handbook and Schedule of Courses* (RHSC) contains information you need to register for the fall 2000 semester, adjust your schedule, and pay your bill. If policies or procedures change, you will receive further information.

The requirements, policies, and course descriptions of each college and school are printed in the *University of Colorado at Boulder Catalog*. You are responsible for knowing and following the catalog policies for your year of entry into a specific program at CU-Boulder.

Although this handbook was prepared on the basis of the best information available at the time of its printing (February 16, 2000), all information is subject to change.

The University of Colorado at Boulder has a strong institutional commitment to the principles of diversity and takes affirmative action to achieve that end. The university does not discriminate in its educational and employment programs and activities on the basis of race, color, national origin, sex, age, disability, creed, religion, or veteran status.

Registration

You can call CU Connect (our telephone registration system) or access web registration to register for courses, drop and add courses, and sign up for course wait lists. When you register, you receive immediate confirmation or denial of your enrollment in courses.

Registration Deadline - All students must complete registration by **midnight on August 18, 2000** to be guaranteed enrollment for fall semester 2000. (**Exception:** Incoming freshmen and transfer students attending the final arts and sciences orientation session in August must complete registration by 5:00 p.m. on August 24.) Students who do not register by these dates (including graduate students) are subject to late registration and a **\$50 late fee**.

NOTE: If you require accommodations because of a disability, notify the Office of the Registrar, Campus Box 20, Boulder, CO 80309-0020, or call 303-492-4822. If you are deaf or hard of hearing, call 303-492-5841 (TTY).

① Review Your Registration Eligibility

Currently enrolled students:

You can access your fall semester 2000 registration eligibility (including your registration time assignment) in the following ways:

- **View your registration eligibility status via web registration.** You may view your registration time assignment and whether you have any stops that need to be cleared by checking your registration status via web registration. To access this information, go to PLUS on the Web at <http://www.colorado.edu/plus> and select the "Registration" button and then log on to web registration by entering your student ID number and your PIN (Personal Identification Number). Select the "Registration Status" tab at the bottom of the screen to view your eligibility to register for fall semester 2000 (including any stops currently on your record) as well as your registration time assignment. **NOTE:** Your registration time assignment will *not* show on the web registration status screen once your time assignment has passed. It only displays if it has not yet arrived and thus makes you ineligible to register.

- **Come to the registrar's office** for a copy of your invitation to register.

All new and readmitted students:

- You'll receive a personalized invitation to register in the mail (mailed to your mailing address) or at orientation (if required).

Your invitation to register includes your PIN (Personal Identification Number). Your PIN, in combination with your student number, allows you to access web registration, CU Connect (our telephone registration system), the Personal Look-Up Services (PLUS) on the Web, and the financial aid telephone system. Certain data specific to you are available on these systems, and your PIN controls access to this information. Your PIN is a randomly set number and must be kept confidential. **Be sure to memorize your PIN, as it remains the same throughout your career at CU-Boulder.**

Note to All Students:

If you feel that your PIN is not secure and you wish to change it, you can change it via PLUS or come in to the registrar's office in Regent 105.

Or if you forget your PIN, you can call the registrar's office at 303-492-6970 or come in to the office in Regent 105.

Your registration eligibility via web registration or your invitation to register includes:

- **Your registration time assignment** - This is the date and time you can register for courses. You can register any time after your time assignment begins through the registration deadline (see the registration/academic calendar for specific dates). It is to your advantage to register as soon as possible after your registration time assignment begins. You can also call CU Connect at 303-938-8110 (enter **007 for the fall semester 2000 term code** when prompted) or check your registration status on the Web to find out your registration time assignment. **NOTE:** Your registration time assignment will *not* show on the web registration status screen once your time assignment has passed. It only displays if it has not yet arrived and thus makes you ineligible to register.

Registration time assignments for undergraduate continuing students are based on the total number of hours completed at CU (any campus), transfer credit, and any courses you are currently enrolled in (as of February 18).

Graduating seniors receive the earliest assignments. All other seniors register next, then graduate and law students, first-semester freshmen (those with 12 or fewer hours), juniors, sophomores, and then second-semester freshmen. Within these groups, time assignments are random.

Freshmen	0-29 hours
Sophomores	30-59 hours
Juniors	60-89 hours
Seniors	90-123 hours
5th Year Seniors.....	124 hours and above

- **Advising notice** - If required by your college or school, consult with an advisor before registering. See page 34 for more information.

- **Other stops** - Stops are holds that the university puts on student records for various reasons. Stops may originate from delinquent financial obligations, academic concerns, or even disciplinary matters. If you have any stops on your record, you are not allowed to register until you have cleared them all. Be sure to clear all stops at least 24 hours before your registration time assignment.

② Plan Your Schedule

Use the schedule planning worksheet on page 11 to fill out a preliminary schedule for fall 2000. Then, fill out the registration form on page 17 before registering. It is a good idea to include alternate course choices on your registration form in case courses you request are full. Refer to page 14 under "searching for courses" for information about the schedule planner tool on the Web and course availability.

3 Decide on Student Opportunities

In addition to the mandatory fees you must pay along with your tuition, there is a group of student opportunities available to you for which optional fees are charged. The opportunities consist of various services provided by the university, tickets for concerts, plays, and the like, and club and student groups in which you can participate or merely provide money for their use.

When you first access registration (either via CU Connect or the Web), you will be given a brief description of the student opportunities fees available to you and be prompted to choose (or not) each opportunity. After you've made your choices, you'll be prompted to confirm them. With this step completed, you can register for classes.

The student opportunities you have chosen will appear on your tuition and fee bill. *If you want to change any of the student opportunities originally chosen, you cannot do so via CU Connect or the Web.* Instead, you must call the appropriate office at the phone number listed below.

Refunds will be given up to the first tuition payment deadline (September 6).

DESCRIPTIONS OF STUDENT OPPORTUNITIES FEES

Following are descriptions of all the opportunities available to you, including the fee for each opportunity.

(Attention Business Majors: The cost of the services for Career Connections and the Internship Program is paid through your student fees. Therefore, you should NOT select either of these when making your student opportunities selections.)

Career Connections \$35.00

For students graduating by August 2001. The prime time to use Career Connections is during your final year at CU. During the semester connect with employers seeking college graduates by taking advantage of weekly interviewing opportunities, having your resume referred to employers, obtaining employment vacancies, and networking with employers. *To complete your registration for this service, view a web orientation or attend a presentation during the first week of class. View the Career Services web site at <http://www.colorado.edu/careerservices/careerconnections.html> for more information.* 303-492-4100.

Club Sports \$4.75

Club sports, which are partially funded by student fees, often require participants to pay out-of-pocket expenses that may limit their involvement in the sport. This fee helps support club sports, so there are fewer out-of-pocket expenses for the participants, and it also offsets some of the overhead costs of the sports. There are currently over 30 club sports programs, with athletes competing in local, intercollegiate, regional, and sometimes national competitions. Coed sports funded include: bicycle racing, diving, equestrian, fencing, field hockey, figure skating, fly fishing, in-line hockey, kayaking, racquetball, rodeo, running, speed skating, squash, swimming, tae kwon do, triathlon, and water polo. Men's sports are: baseball, ice hockey, lacrosse, rugby, soccer,

ultimate frisbee, and volleyball. Women's sports are: dance, ice hockey, lacrosse, rugby, soccer, softball, ultimate frisbee, and volleyball. 303-492-5471.

College of Music Concert Card \$30.00 per card

The hot sounds of jazz! International dance! The classical repertoire! The best of musical theatre and opera! Each concert card gives you \$60 worth of Artist Series and Lyric Theatre tickets for only \$30—a 50% savings over single ticket prices! Cards are valid for the entire 2000-2001 season and let you choose from a variety of performances. Concert cards give you the flexibility to decide what concerts to attend and where you would like to sit. All you have to do is present your card at the box office when choosing tickets. *Concert cards will not be mailed to you.* Bring your student ID and proof of payment to Imig Music C103 to pick up your College of Music Concert Card. 303-492-8008.

Gay, Lesbian, Bisexual, and Transgender Resource Center \$5.00

The Gay, Lesbian, Bisexual, and Transgender (GLBT) Resource Center serves as a central clearing house for information about gay, lesbian, bisexual, and transgender issues. Open to all regardless of sexual orientation, the center provides resources; information dissemination and referral; and educational, cultural, and social programming including LesBiGayTrans Awareness Month and the Lambda Rising GLBT Studies conference. Although a department within the Division of Student Affairs, the GLBT Resource Center receives no state general funds or other student fee money. Fees will fund the center's programming, and contributors will have the option to receive *CU Out & About: A Publication of the Lesbian, Bisexual, Gay and Transgender Community at the University of Colorado at Boulder* and supplemental events calendars. Call 303-492-1377 for more information or stop by Willard 334.

Internship Program \$55.00

For undergraduate and graduate students seeking work experience before graduation. Each year, more than 7,000 internships are available in a variety of organizations including business, engineering, art museums, social service agencies, and environmental and governmental agencies. Contact the Internship Office (Willard 18) early in the semester to complete necessary materials. Full refunds are granted until the drop/add deadline. This service is good for 12 months from enrollment. 303-492-4129.

Student Groups \$4.95

This fee supports student groups on campus through the Student Organizations Committee. Student groups funded for 2000 -2001 include: AIAS (American Institute of Architecture Students), AIESEC (Int'l Assoc. Stdn. Eco. & Bus. Management - French acronym), Alpha Phi Omega, American Planning Association, Anthropology Club, BALS (Black American Law Students Association), Black Student Alliance, Bridges, Campus Crusade for Christ, Campus NARAL (National Abortion Rights Action League), College Democrats, College Republicans,

Join the worldwide network of CU alums while you're a student and take advantage of alumni mentor opportunities, free food at the alumni pre-game events, discounts with local businesses and around the country, special event invitations and much more. and 4:30 p.m., Monday through Friday, except on university holidays. Recorded registration information is also available at this number 24 hours a day (press "2" to hear recorded registration information).

Once you have registered, make adjustments to your schedule either via CU Connect or the Web through the **registration deadline, midnight on August 18.** (**Exception:** Incoming freshmen and transfer students attending the final arts and sciences orientation session in August must complete registration by 5:00 p.m. on August 24.)

After these dates, see pages 18-19 for instructions on making final schedule adjustments during the drop/add period.

LINKED COURSES

Linked courses are lecture courses that have required recitations and/or labs. In the course listings, you can identify a linked course because *the call numbers for linked lectures are not listed*. Only the call numbers for the linked recitation or lab are listed. (For courses that have a required lecture, recitation, and a lab, the call numbers are *not listed* for the lecture and recitation; they are *only listed* for the lab.)

NOTE: This does not apply to courses that have a required lab with a different course number, e.g., EPOB 1210 General Biology 1 and EPOB 1230 General Biology Lab 1. To register for linked courses, enter the call number for the lab or recitation only. When you enter the call number, the system automatically "links" all other sections of the course and either enrolls you in all sections of the course or gives you the option of placing your name on a wait list, if available, for all linked sections of the course.

CONTROLLED ENROLLMENT AND INDEPENDENT STUDY COURSES

Controlled enrollment sections of a course and independent study courses are ones that have specific restrictions placed by the department that offers the course. They have a section number between 700 and 999. The call numbers are not published for these sections. To find out if you qualify for a controlled enrollment section or an independent study course, contact the department that offers the course. If you are eligible, the department will either enroll you in the course or give you the call number so you can register for the course via the web or via CU Connect.

SEARCHING FOR COURSES

You may need to search for a new section of a course for the following reasons:

- Sometimes academic departments must change the time a course is offered *after the Registration Handbook and Schedule of Courses* has been published (when this happens, the department cancels the original section and adds a new section that reflects the time change), or
- The section you request is full.

You can search for available sections in the following ways:

- The **schedule planner** is a tool to find out about course availability as well as additional course information. Using

this feature, you can also search for courses by subject, core requirements, and by meeting time. When a course is displayed, you can access the course description, required books, and student ratings of the course. In addition, you can map out your schedule to show when you have courses and other scheduled commitments, such as work. *The schedule planner is updated on a daily basis during registration periods, so it is a good planning source, but does not display up-to-the-minute course availability.* You can access the schedule planner feature via PLUS at <http://www.colorado.edu/plus>.

- You can conduct on-line course searches via web registration. The **web registration course search** tool allows you to search by subject, level, course number, core requirements, and by meeting time. *The course search feature is updated on a real-time basis, so if you find a course you would like to sign up for, you immediately know whether there is still room in the course.* Also, if you try to **register for a course via web registration but you're denied the course** (due to the section being closed or cancelled), you can conduct a **section search** to see if there are any available sections of that same course that fit in with your schedule. When you're denied a course, click on the word "search" next to the course and then click on the "submit" button. If there are any available sections of the course that fit your schedule, you'll be given the option to add the course (just click on the "add" button for the section you want.) You can access web registration via PLUS at <http://www.colorado.edu/plus>.

- If you request a course section that is full **via CU Connect**, the computer voice asks you if you want to conduct a **search for other open sections of that course**. If you do, press 7# when prompted. CU Connect will search for other sections of the course that are available and that will fit your schedule. If another section is available, you can register for that section.

- **A list of available courses** can be found in Regent 105.

WAIT LISTS

Throughout the registration and drop/add periods, if you are eligible to take a course but find it is full, you may be able to put your name on a computerized wait list. Each department determines if a wait list will be offered for a course and what type of wait list will be used. There are two types of wait lists:

- *Automatic wait lists* are set up on a first-come, first-served basis. As a vacancy occurs in a class, the person at the top of the list is automatically enrolled.

- *Resequenced wait lists* use a priority system to determine who enrolls in a course as spaces open up. Priorities are established by the department and are usually based on class standing and/or major.

CU Connect and web registration informs you if a class you have requested has a wait list and gives you the option of adding your name to the list. On CU Connect, press 9# when prompted and listen for verification. On the Web, select the wait list option and then select "submit" and wait for verification. **NOTE:** CU Connect and web registration

do **not** tell you what type of wait list is used for the course. When you place your name on a wait list, the number of students already on the list is announced. As wait-list positions constantly change during the registration and drop/add periods, it's a good idea to check your schedule frequently to find out your position on the wait list. To find out your wait-list position, you can:

- Call CU Connect and list your schedule by pressing 5# (see the instructions on your registration form). If you are wait-listed for any courses, your wait-list position (normally current within the last 24 hours) will be announced when you list your schedule via CU Connect. Wait-list positions are normally updated nightly on CU Connect.
- Or you can check your wait-list position via web registration. Log on to web registration via PLUS and then click on the "schedule" tab at the bottom of the page. You'll be able to see your wait-list position for a course under "status" on the schedule page. Wait-list positions via web registration are updated in real time.

Placing your name on a wait list does not guarantee that you will be enrolled in that course, even if you're first on the wait list.

When a space opens up for you from a wait list, you are automatically enrolled in the class. *No verification is sent.* If you choose not to remain on a wait list or if you find that you have been enrolled in a course that you no longer want, *drop the course as soon as possible.*

NOTE: Wait-listed hours are included in your credit load limit (see page 36). You cannot be enrolled and wait listed for courses offered at the same time, and you cannot be wait listed for two courses offered at the same time.

It is your responsibility to find out if you have been enrolled in a course from the wait list. If you do not attend a course you have been enrolled in, you will receive an F for that course.

DEADLINES FOR WAIT LISTS

You may place your name on course wait lists through **5:00 p.m., Wednesday, September 6.** At midnight, one final roll of the wait lists will occur to automatically enroll students from wait lists into any existing course openings. After this final wait list roll, all wait lists will be frozen. *This means that there is no automatic enrollment from wait lists beginning on September 7.*

If you are still on a wait list as of September 7 and are still interested in taking that course, check with the department offering the course. You must let the department know you are still interested in the course, should an opening occur. In that event, the department will give you a signed special action form to add the course. (**NOTE:** After September 6, you need the signature of the instructor on a special action form to add a course.) All department wait lists are canceled at 5:00 p.m. on Friday, September 15, the deadline to add a course without petitioning your dean.

NOTE: If you're on the wait list as of 5:00 p.m. on September 6, and you don't get enrolled in the course (undergraduate courses only), you'll be eligible to reserve the course the next time it is offered through the Course Reservation Program. (See page 38.)

Complete the drop/add form on page 21 of this handbook, filling out call numbers, department abbreviations, course numbers, and section numbers of courses that you want to drop and/or add to your schedule. Because there may be many closed courses, have several alternate courses selected. See page 14 for information about course-available lists on the Web. Course-available lists will also be posted at the drop/add sites listed on the next page.

You should plan to do all your drop/add activity either via CU Connect or via web registration, at a drop/add site (listed on the next page), or by using any combination of these methods. If you have questions or concerns about your schedule, you should see your academic advisor or dean's office. If you have questions about a course in particular (regarding restrictions, prerequisites, wait lists, etc.), you should see the appropriate academic department.

• **At drop/add sites** - You may change your schedule at a central drop/add site (listed on the next page) any time after your drop/add time assignment begins through the add and drop deadlines. Your photo ID is required to change your schedule at a drop/add site.

• **Add Deadline** - The deadline to add a course, including independent study and thesis, without the instructor's signature is **5:00 p.m., Wednesday, September 6.**

To add a course after September 6 and through September 15 you must have the signature of your instructor on a special action form. In general, instructors will only approve an add if you've been regularly attending and there's space in the course.

• **Deadline to Add Without Petitioning Your Dean** - The deadline to add a course without petitioning your dean is **5:00 p.m., Friday, September 15.** (NOTE: You must have instructor's signature on a special action form to add a course after September 6 and through September 15.)

No adds are permitted after September 15 unless there are extenuating circumstances.

September 15 is also the deadline to change variable-credit hours, pass/fail, and no-credit status on courses.

These changes can be made at the registrar's office in Regent 105 through 5:00 p.m. on September 15.

DEADLINES FOR DROPPING COURSES

• **Drop Deadline** - The deadline to drop a course without the instructor's signature, without being assessed tuition and fees for that course, and without a W grade showing on your transcript is **5:00 p.m., Wednesday, September 13.**

For courses dropped after Wednesday, September 13 (5:00 p.m.), no tuition and fee adjustments are made and you will receive a W grade on your transcript for dropped courses.

To drop a course after September 13 and through October 11 you must be passing the course, and a special action form must be signed by your instructor and turned into the registrar's office.

• **Deadline to Drop Without Petitioning Your Dean** - The deadline to drop a course without petitioning your dean is **5:00 p.m., Wednesday, October 11.**

After October 11 you cannot drop a course unless there are circumstances clearly beyond your control (accident, illness, etc.).

To drop a course after this date you must have your dean's approval, as well as the approval of your instructor. Their signatures must be on a special action form or your request will not be processed.

Note: Dropping all your Boulder main campus courses constitutes withdrawing from the university. See page 41 for withdrawal information.

Option C	\$209.00

Fall 2000 Course Fees

Course fees are assessed to help offset the higher costs of specialized supplies, equipment, materials, and instructional and related support that are required to teach courses in certain departments. **NOTE:** 1999-2000 course fees are listed by each department in the course listings beginning on page 44. A list is also available at the Bursar's Office, and on the Web at <http://www-bursar.colorado.edu>.

Enrollment Deposit

Your \$200 enrollment deposit is held for you by the university until you:

- drop *all* classes in a semester within established dates and guidelines (see page 41), or
- officially withdraw within established dates and guidelines (see page 41), or
- graduate.

At that time, the deposit is credited toward any outstanding financial obligations you may have, and a refund check is mailed to you within approximately eight weeks. Update your permanent address at the Office of the Registrar or the Bursar's Office before you graduate or withdraw to be sure you receive your refund. Interest earned from enrollment deposits is used for student financial aid.

If you enroll at the university the semester following your graduation, your enrollment deposit remains on your account. It is then refunded to you, in accordance with established university policy, when you are no longer enrolled.

Residency

Students classified as out-of-state residents who are seeking in-state tuition classification for fall 2000 should turn in residency petitions by **5:00 p.m., July 24, 2000**, to the Tuition Classification Office in Regent 1B54, Campus Box 68, Boulder, CO 80309-0068.

Petitions are accepted through September 1, 2000, but students who submit petitions after July 24 may not receive a decision by the tuition-payment deadline. Adjustments and reimbursements are made if a student's application is approved.

Students submitting a completed petition by May 15, 2000, receive a decision by the enrollment deposit refund deadline of August 18, 2000. Financial aid recipients seeking in-state classification should submit their petitions by May 15, 2000, to make sure their financial aid award is processed in time for fall semester.

Complete information regarding the requirements for in-state residency status is available on our web site at <http://registrar.colorado.edu/support/residency.htm>, at the Tuition Classification Office, Regent 1B54, by calling 303-492-6868, or by e-mail: tuitclass@registrar.colorado.edu.

Paying Your Bill

Any student who completes registration agrees to pay the University of Colorado at Boulder according to the payment terms documented under this section. Past due service charges of 1% per month are assessed for late payment. A financial stop is applied to the student record that will prevent registering for future terms, participating in class schedule adjustments (drop/add), receiving an academic transcript, and receiving a diploma. In addition, future term classes may be cancelled.

You may pay your bill by:

- **Cash** - All payments made by cash must be received at the cashier windows in the lobby of Regent.
- **Personal check, certified check, or cashier's check made payable to the University of Colorado** - If you pay by check, make sure your name and student number are on the check. Mail the check and the top portion of your bill to the Denver post office box noted on the bill, or use one of the tuition drop boxes at the north and south entrances of Regent. *Do not use campus mail.*

If you write a bad check (regardless of the amount) to the university, you may be subject to late charges and service charges, and a stop will be placed on your record. A \$17 returned-check charge is assessed, in addition to the amount due to the university. You may also be liable for collection costs and prosecution under the Colorado Criminal Statutes.

The payment deadline is 6:00 p.m. on Wednesday, September 6, 2000. Postmark dates are not honored. Credit cards are not accepted.

Do not include scholarship checks with your payment to the Bursar's Office. Instead, forward the scholarship check to the Office of Financial Aid, Campus Box 106, Boulder, CO 80309-0106. If your scholarship check is not received in the financial aid scholarship office by the bill payment deadline, you are advised to make other arrangements to pay your bill to avoid late and service charges. The scholarship will be credited when it arrives and, in many cases, will generate a refund for you at the Bursar's Office. If no specific instructions are provided by the donor, the

financial aid office automatically divides private scholarships of \$500 or more equally between the fall and spring semesters. Private scholarships of less than \$500 will be applied in full to the current semester.

Scholarship checks should be made payable to the **University of Colorado** and sent to CU-Boulder, Scholarships, Campus Box 106, Boulder, CO 80309-0106.

Original charges (less any adjustments) are always due on the first bill due date of the semester. A second bill reflecting new charges (parking permit, classes added, etc.) will be mailed to your local mailing address September 20 and is due on October 11. Call 303-938-8110 for your balance or check PLUS at <http://www.colorado.edu/plus>.

It is recommended that checks be written on a U.S. bank and in U.S. funds in order to avoid processing delays of up to three weeks and possible bank fees. If the delay extends beyond the tuition due date, late and service charges may be assessed.

NOTE: All checks containing restrictive endorsements are null and void and nonbinding on the university.

If you must send payments via express mail, send them to the Bursar's Office, Regent, Room 175, Boulder, CO 80309-0041.

If you do not receive a tuition and fee bill, you are still responsible for knowing the amount of your bill and for paying it on time. Call CU Connect at 303-938-8110, or call 303-492-5091 for your current balance, or access your current bill information on PLUS at <http://www.colorado.edu/plus>.

The Bursar's Office hours from August 21 to September 4 are Monday through Friday, 8:30 a.m. to 5:00 p.m. (Tuesday, September 5, and Wednesday, September 6, until 6:00 p.m.). Refer to information included with your schedule/bill for extended hours of service.

The Bursar's Office offers personal assistance to Spanish-speaking students and students with disabilities. If you need assistance, stop by the Bursar's Office, Regent, Room 150 or call 303-492-5381, or if deaf or hard of hearing, call 303-492-3528 (TTY).

Tuition Payment Option: Deferred Tuition

By completing and returning the deferred tuition agreement located on the reverse side of your schedule/bill, you are allowed to pay one-half of the amount due on **September 6**. The minimum balance due, indicated on the reverse side of your bill, is reduced automatically by any credits (financial aid, insurance, RA/TA tuition waivers, and scholarships) applied after your bill is produced.

If the deferred tuition agreement is not part of your schedule/bill, you may also defer your tuition at the student billing windows in Regent from August 25 through September 6.

On **October 11**, you must pay the balance of your bill and a one-percent finance charge and any new charges added to your bill. A second bill reflecting this balance is mailed to your local mailing address on September 20. Make sure your address is current.

Failure to Pay in Full by the Deadline

A **financial stop** will be placed on your record if you fail to pay your full tuition and fee bill by the published deadline. This stop will prevent you from:

- registering for future terms
- participating in drop/add
- receiving an academic transcript
- receiving a diploma

In addition, if you are registered for a future term and a financial stop is added to your record, you are in risk of losing those classes.

A **late-payment charge, in addition to a service charge** on the unpaid balance (1% per month), is assessed according to the following schedule:

Balance Due	Late Charge
\$99.99 or less	\$ 5
100-299.99	\$10
300-499.99	\$20
500-699.99	\$30
700-899.99	\$40
\$900 and over	\$50

All past due accounts are referred to the Student Debt Management (SDM) department for collection after the end of the semester. Past due service charges of 1% continue to accrue monthly as long as the debt is unpaid.

Colorado law requires the university to place all delinquent accounts with the state's Central Collection Services Office (CCS). The SDM department will place all delinquent accounts with CCS after one year, unless there exists a satisfactory repayment agreement including a signed contract with the Student Debt Management department in the Bursar's Office. CCS reports all past due accounts to national credit bureaus. Financial stops remain on your record until the balance is paid in full. Establishing a repayment agreement does not result in removal of stops.

Getting Your Refund

If your tuition account reflects a credit balance, you are entitled to a refund. You can receive your refund either by:

- **Direct Deposit** - If you are currently enrolled for direct deposit, or sign up by August 11, and have a credit balance on your tuition account as of August 22, your fall 2000 refund will be deposited into your bank account on August 25. Throughout the semester, whenever your tuition account reflects a credit balance, your refund will be deposited to your bank account 24 hours after a credit balance appears on your tuition and fee account.

The university strongly encourages you to use this option. It insures safe and convenient payment of your refund.

For more information, or to sign up for this service, please call 303-492-5381 or 303-492-3528 (TTY), or stop by and fill out an application form.

- **Refund Checks** - If you do not sign up for direct deposit, and your tuition account reflects a credit balance as of August 18, a refund check will be mailed to your local

mailing address on August 24. This refund **cannot** be picked up.

If your tuition account reflects a credit balance after August 18, a refund check will be available at the cashier's window in Regent beginning August 25. You must have your photo ID with you. Checks not picked up will be mailed to your local mailing address on a monthly basis throughout the semester.

Tuition and Fee Information on the WWW

You may also access up-to-date tuition and fee rates on the World Wide Web at <http://www-bursar.colorado.edu>. If you have any questions regarding tuition information on PLUS, call the Bursar's Office at 303-492-5381. If deaf or hard of hearing, call 303-492-3528 (TTY). The Bursar's Office can also be reached by e-mail at bursars@colorado.edu.

Financial Aid

If you wish to receive financial aid for fall 2000, you must complete the 2000-2001 Free Application for Federal Student Aid (FAFSA). You are encouraged to apply by April 1 for full consideration. However, we will continue to offer aid after that date as long as funds are available.

Applications are available from the Office of Financial Aid, Room 2, Environmental Design, or on the Web at <http://www.fafsa.ed.gov>. For more detailed information, visit the financial aid office, our home page at <http://www.colorado.edu/finaid>, or call 303-492-5091.

Financial aid includes grants, scholarships, work-study and loans, and is usually awarded based on financial need. Financial aid funds are automatically applied to your bill (you must sign a promissory note in order to receive a loan). If your tuition account reflects a credit balance, you are entitled to a refund (see Refunds, on this page).

Short-Term Loans

Short-term loans up to \$500 are available to students during periods of enrollment and between fall and spring semesters. You must be at least eighteen years of age and enrolled at least half-time on the Boulder campus to qualify (ACCESS and Continuing Education students are not eligible), and you must present your photo ID. All loans must be backed by financial aid or have a co-signer.

Veterans' Benefits

If you are entitled to veterans' benefits, write Veterans' Services, Office of Financial Aid, Campus Box 106, Boulder, CO 80309-0106, or call 303-492-7322 for further information.

Withdrawing and Financial Aid

The *Withdrawal Policy Regarding Tuition and Fees* states that students who pay their \$200 enrollment deposit and register for classes for any given semester are obligated to pay full tuition and fees for that semester unless they **officially withdraw** from the university. If you begin classes at CU-Boulder, receive financial aid, and then withdraw, your financial aid will be adjusted according to

the following federal regulations. (See page 41 for withdrawal procedures.)

Return of Unearned Title IV Aid

(34 CFR 668.22)

The federal rules state that a student earns his or her aid based on the period of time he/she remained enrolled.

Enrolled days divided by days in the enrollment equals the percentage of aid earned.

The Office of Financial Aid will calculate the percentage of aid earned using the above formula. A student who remains enrolled beyond the 60% point earns all aid for the period. Aid earned will be credited to the student's tuition and fee bill.

REPAYMENT OF UNEARNED AID

(34 CFR 668.22 G,H,I)

The responsibility to repay unearned aid is shared by the institution and the student in proportion to the aid each is assumed to possess.

The institution's share is the lesser of:

- The total amount of unearned aid, or
- The institutional charges multiplied by the percentage of aid that was unearned.

The student's share is the difference between the total unearned amount and the institution's share. The institution's share is allocated among the Title IV programs, in an order specified by statute, before the student's share. After the student's share is fully allocated among the Title IV programs, any amount owed to a grant program is reduced by half. The same refund and repayment policy will be applied to state and institutional grants. Refund and repayment of institutional scholarships, athletic scholarships, private scholarships and third party scholarships will be determined by the donor.

Funds are returned in the following order:

TITLE IV

Federal Stafford Loan (unsubsidized)
 Federal Stafford Loan (subsidized)
 Federal Perkins Loan
 Federal PLUS (Parent) Loan
 Federal Pell Grant
 FSEOG
 SSIG/LEAP
 Other Federal Aid

INSTITUTIONAL AND STATE AID

Institutional Aid
 Colorado Student Grant
 Colorado Graduate Grant
 Colorado Undergraduate Grant
 Colorado Outreach Grant
 Colorado Athletic Grant (CCHE)

OTHER AID

Institutional scholarships
 Athletic scholarships
 Private scholarships
 Third party scholarships

The above policy applies to those students with financial aid who officially withdraw. It may also apply to those who stop attending classes without formally withdrawing from the University of Colorado at Boulder. Students who do not formally withdraw will be required to document their last day of attendance.

Examples of refund calculations are available upon request from the Office of Financial Aid. Visit with a financial aid counselor for more information regarding your specific solution.

Appeals

In the case of a prolonged illness, accident, death in the family, or other circumstances that make it impractical to complete the semester, the student may submit an appeal through the Bursar's Office. The Bursar's Office will review the information provided and will determine a settlement that is reasonable and fair to both the student and the university.

Balances Due

If unearned aid results in a balance due, a revised tuition and fee bill will be mailed to you by the Bursar's Office. It is your responsibility to repay those funds. To ensure that you receive information in a timely manner, please make sure that your address and phone information is up to date.

General Information

Many of the questions you may have about registration procedures are answered in this section.

Addresses

The following addresses on your student record must be kept current:

• **Mailing address** (your address during the fall and spring semesters and during the summer months if you're enrolled in summer classes). Registration information for future semesters, outstanding tuition and fee bills, refund checks, and financial aid information are mailed to you at this address from late August through mid-May (and throughout the summer if you're enrolled in summer classes). **Exception:** Your permanent address is used during the winter semester break. **Note:** An accurate local mailing is also important in case the university needs to reach you due to a family or personal emergency, so be sure to give the university a local mailing address.

• **Permanent address** (considered your "home-base" address). It can be your parents' address, a Boulder address, or the address of someone who knows how to reach you. Schedule/bills are mailed to this address before the semester begins. This address is also used for mailings during the summer months and during the winter semester break. **Exception:** If you're enrolled in summer classes, your mailing address is used during the summer months.

Other offices, such as the library, housing, payroll, and Wardenburg, have separate address systems and changes must be made there as well.

You can look up any of your addresses on the Personal Look-Up Services (PLUS) at <http://www.colorado.edu/plus> (see page 37) and, if needed, update your addresses via PLUS. Or you can fill out a change-of-address form at the Office of the Registrar in Regent 105, in the Office of Financial Aid in Environmental Design, room 2, or by calling 303-492-6970.

NOTE: The address that appears on your student record (and PLUS) also appears on the directory on CU-Boulder's home page on the Web. When you make a change to any of your addresses, the change is normally updated on your student record within 24 hours. **Exception:** If you update your address via PLUS, your addresses are updated immediately (real-time). Addresses on the web directory are updated weekly.

If you do not want your address to be part of directory information, you may request that "limited privacy" be put on your record. See pages 35-36 for more information about "limited privacy" as well as other privacy options under "Confidentiality of Student Records."

Advising

Check your invitation to register for advising requirements. If advising is required or if you wish to speak with an advisor:

• **Arts and Sciences students** - Schedule an appointment to meet with your primary advisor or faculty advisor prior to registering. Contact your advisor or department in

advance to arrange an advising conference. If you are an open option student or considering changing your major, contact the Academic Advising Center, 303-492-7885 for an appointment. For arts and sciences advising information on the Web, see <http://www.colorado.edu/ArtsSciences/aacforstudents>.

- **Engineering students** - Call your faculty advisor, your major department, or your dean's office for advising.
- **Students in any other college or school** - Call your dean's office.

Campus ID Card (Buff OneCard™)

The Buff OneCard is your official CU-Boulder student ID. It allows you access to the Student Recreation Center, campus libraries, meal plans, RTD buses, athletic events, residence halls, and anywhere else that official CU-Boulder identification is required.

The Buff OneCard Office is located in the lower level of the UMC. Office hours are Monday through Friday, 9:00 a.m. to 4:30 p.m. Some form of picture ID is required in order to receive your initial Buff OneCard, which is free to students paying full fees. There is a \$15 replacement fee for lost cards. To report a lost or stolen card, call 303-492-1212 immediately to avoid unauthorized use of your card in campus libraries or elsewhere for which you would be responsible. **DO NOT** share your Buff OneCard with anyone else.

Buff Bucks is the Buff OneCard's optional on-campus debit account. If you choose to activate this option, you can make purchases at a variety of campus merchants. You can deposit funds to your Buff Bucks account at the Buff OneCard Office or at Buff Bucks Transaction Machines located in the UMC, the Student Recreation Center, and Williams Village. You can store up to \$1000 in your Buff Bucks account. Since it is not a bank account, cash withdrawals cannot be made, and a fee is charged to close the account.

Through an agreement with the U of C Federal Credit Union, the Buff OneCard also offers the **Buff Gold** option. This option allows you to link your Buff OneCard with your Credit Union account to get cash from ATMs and to make debit card purchases from establishments belonging to the STAR network (such as King Soopers and Safeway grocery stores). To activate this option, open a checking account at the U of C Federal Credit Union, and request the Buff Gold option.

You may also elect to use your Buff OneCard as a **long-distance calling card** by using your authorization code and PIN to make long-distance calls off-campus. (If you are a residence hall student, direct dialing from your room costs less than using the calling card.)

For more information visit the web site at www.buffonecard.com or call the Buff OneCard Office at 303-492-0355.

Changing Your College or Major

If you want to transfer into another CU-Boulder college or school, check with the new dean's office for admission criteria and information on enrollment levels, application procedures, and deadlines. If you have already submitted an IUT (intrauniversity transfer) application, register as if you have been accepted into the new school or college.

NOTE: You may not be able to register for some courses until you have been accepted into your new school or college. Once you are accepted, you may change your schedule through the drop/add deadline.

If you want to change or declare a major, go to the new major department for the required procedures.

NOTE: If you are or will be receiving financial aid and are working on two majors (same degree) or a major and a minor and don't plan to graduate from both programs at the same time, your financial aid may be affected. For more information, contact the Office of Financial Aid in the lower level of Environmental Design, or call 303-492-5091.

Computer Labs

You can use any of ITS's or Housing's computing labs to access the Internet and register online. Labs are located in residence halls and other buildings across campus including Business, Clare Small Arts and Sciences, Duane Physics, Economics, Education, Ekeley Sciences, Engineering, Environmental Design, Fleming Law, Helles, Macky, Muenzinger, and Norlin Library. See the ITS web site at <http://itsweb.colorado.edu/campusmap/webmap.html> for a complete listing of ITS's computer lab sites.

Confidentiality of Student Records

The Family Educational Rights and Privacy Act (FERPA) affords you certain rights with respect to your education records. They are:

(1) The right to inspect and review your education records within 45 days of the day the university receives a request for access.

You should submit to the registrar, dean, head of the academic department, or other appropriate official, a written request that identifies the record(s) you wish to inspect. The university official will make arrangements for access and notify you of the time and place where the records may be inspected. If the records are not maintained by the university official to whom the request was submitted, that official shall advise you of the correct official to whom the request should be addressed.

(2) The right to request the amendment of your education records that you believe are inaccurate or misleading.

You may ask the university to amend a record that you believe is inaccurate or misleading. You should write the university official responsible for the record, clearly identify the part of the record you want changed, and specify why it is inaccurate or misleading.

If the university decides not to amend the record as requested by you, the university will notify you of the

decision and advise you of your right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to you when notified of the right to a hearing.

(3) The right to consent of disclosures of personally identifiable information contained in your education records, except to the extent that FERPA authorizes disclosure without consent.

One exception that permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the university in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the university has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Regents; a student employee; or a student serving on an official committee, such as a disciplinary or grievance committee, or one assisting another school official in performing his or her tasks. In addition, your records may be disclosed to your parent(s) upon request if your parent(s) claim you as a dependent for income tax purposes.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the university discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

(4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the university to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

The Family Compliance Office
U.S. Department of Education
600 Independence Avenue, SW
Washington, DC 20202-4605
(202) 260-3887

The following items of student information have been designated by the University of Colorado at Boulder as public or "directory" information: name, addresses, telephone numbers, e-mail address, dates of attendance, registration status, class, previous educational institutions attended, major field of study, awards, honors, degree(s) conferred, past and present participation in officially recognized sports and activities, physical factors (height, weight) of athletes, and date and place of birth. Such information may be disclosed by the institution at its discretion. Buff OneCard photos and numbers (not social security numbers) are not considered directory information but are shared with other campus departments and associates of the Buff OneCard program.

You have the right to withhold "directory information" from inquirers by selecting a "privacy" or "limited-privacy" option. The privacy option will prevent all directory and enrollment information from being released to all who do not have a clear educational interest for access to this information.

The limited-privacy option will prevent the release of directory information to off-campus inquirers and to campus directory services, but is not as restrictive as the privacy option.

Release of Disciplinary Information

Provisions of the Family Educational Rights and Privacy Act of 1974, as amended by the Higher Education Amendments of 1998, govern access to a student's disciplinary file. The student and/or those university officials who demonstrate a legitimate educational need for disciplinary information may have access to the student's disciplinary file. Parent(s), who provide proof that a student is a dependent as defined in Section 152 of the Internal Revenue Code of 1954 (i.e., a copy of the last federal income tax return listing the student as a dependent), can have access to the student's disciplinary file without written consent of the student. In this case, parents may also have access to a disciplinary file, even if the student has requested otherwise.

In addition, parent(s) may be notified if a student under 21 years of age is found responsible for a violation involving use or possession of alcohol and drugs.

The Campus Security Act permits higher education institutions to disclose to alleged victims of any crime of violence (murder, robbery, aggravated assault, burglary, motor vehicle theft) the results of the conduct proceedings conducted by the institution against an alleged perpetrator with respect to such crime. The Campus Security Act also requires that both accused and the accuser be informed of campus conduct proceedings involving a sexual assault.

Additionally, the Higher Education Amendments of 1998 permit disclosure of the final results of disciplinary cases in which a student has been found responsible for a violation involving violence or for a sex offense.

Credit-Hour Limits and Course-Load Definitions

During the registration period (which begins April 3), undergraduate students can register for a maximum of 19 credit hours (15 credit hours for graduate students and 16 credit hours for law students), *including wait-listed courses*.

During the final drop/add period (beginning August 25), undergraduates are allowed to register for up to 21 credit hours, *including wait-listed courses*. **NOTE:** A tuition surcharge is assessed for every credit hour added over 18.

For undergraduate students, 12 credit hours is considered a full-time load for financial aid and for enrollment verification purposes. Graduate students qualify for full-time status for enrollment verification purposes if they are enrolled for 5 or more hours or any number of thesis hours. Law students need 10 or more hours for full-time status. Check with the Office of Financial Aid for full-and part-time status definitions for graduate students.

Credit and Grading Options

You can select or change the following credit and grading options via CU Connect and web registration through 5:00 p.m. on September 6 or at the registrar's office in Regent 105 through 5:00 p.m. on September 15. (**Important: Be sure to read the highlighted note below.**)

- **No Credit.** To register for a course on a no-credit basis, call CU Connect and select the no-credit option (see page 16), or select the no-credit option when registering via the Web. You still pay full tuition for a no-credit course, but you do not receive a grade. An *NC* will appear on your transcript in place of a grade. Check with your college or school for policies on no-credit status and how it may be used.

NOTE: No-credit courses do not count toward full-time enrollment for financial aid purposes.

- **Pass/Fail.** Check with your college or school for the restrictions on the number and types of courses that can be taken pass/fail. To register for a course pass/fail, call CU Connect and select the pass/fail option (see page 16), or select the pass/fail option when registering via the Web.

Once you have signed up for a course on a pass/fail basis, it is *not* noted on class rosters or final-grade lists, nor should your instructor be notified that you are taking the course pass/fail. You are assigned a grade for the course. A grade of *D-* or above is converted to a *P*; an *F* remains an *F*. Only the *F* is calculated as part of your GPA; a grade of *P* is not counted.

NOTE: If you attempt to change the status of a course from or to P/F or NC by telephone or via the Web, you will not be able to re-enroll in the course if it is closed or a wait list exists for the course. You can make this change without jeopardizing your enrollment in the course by filling out a credit-option form at the registrar's office in Regent 105.

- **Variable Credit.** All independent study courses and some regular courses are offered on a variable-credit basis (that is, they have a range of minimum and maximum credits). When you call CU Connect to register, or if registering for a variable credit course via the Web, enter the number of credit hours you want to receive for the course when prompted. The number of credits can be changed throughout the registration and drop/add periods through 5:00 p.m., Friday, September 15.

E-Mail the Registrar

Have you ever had an academic records-related or registration-related question but didn't know whom to ask? Or have you ever had a comment you wanted to share with us about one of our programs or processes?

E-mail the registrar's office at registrar@colorado.edu to get some answers or make your comments. Your e-mail will be read by a staff member in the registrar's office and then forwarded to the appropriate person for a response.

Grade Information

To obtain information about grades at the end of the semester:

- Call CU Connect, the telephone registration system, at 303-938-8110, during regular hours of operation (see page 16). When prompted to enter an application code, enter a "2" to access the grading application. You'll then need to enter the term code for the semester you want to access, followed by your student number and your PIN. Term codes consist of the last two digits in the year followed by one of these numbers:

- 1 = spring
- 4 = summer
- 7 = fall

For **spring semester 2000** grades (available beginning May 12), use the **term code 001**.

For **fall semester 2000** grades (available beginning December 21), use the **term code 007**.

- Look up your grades on PLUS on the World Wide Web, <http://www.colorado.edu/plus>. Fall semester 2000 grades will be available on PLUS beginning December 21.
- Check to see if your grades are posted, as some instructors post grades for their courses outside of their offices, the classroom, or the departmental office.
- Order official transcripts by:
 - mailing a signed written request to Transcripts, Campus Box 68, University of Colorado, Boulder, CO 80309-0068
 - sending a signed FAX request to 303-492-4884
 - calling in a request to 303-492-8987

The above methods for ordering official transcripts are free of charge and are normally processed (mailed 1st Class) within four business days.

There are two additional methods available for ordering an official transcript. Both are available 24 hours/day by a third party provider, VOICE FX. You may either call 1-800-613-3735 or contact them by Web at <http://www.gettranscript.com> and select the University of Colorado at Boulder. Transcripts through this service cost \$1.50 each. These are normally processed (mailed 1st Class) within four business days.

- Order an unofficial transcript for a cost of \$1 (next-day service) or \$5 (same-day service) at the transcript window, Regent lobby, or by calling **303-492-8987**. Unofficial transcripts are not mailed off campus.

Graduation

If you plan to graduate within the next year, you must check with your dean's office for graduation application deadlines and notification procedures.

Graduating students with Federal Perkins/NDSL loans must complete a loan exit interview before leaving the university.

NOTE: If you are or will be receiving financial aid and are working on two majors (same degree) or a major and a minor and don't plan to graduate from both programs at the same time, your financial aid may be affected. For more information, contact the Office of Financial Aid in the lower level of Environmental Design, or call 303-492-5091.

WEB REGISTRATION

You can also access web registration via PLUS. See page 17 for more information about web registration.

Registrar's Home Page

The Office of the Registrar now has most of the information that's included in this registration handbook on the World Wide Web. It also includes academic/registration calendars for the next few semesters, final exam schedules, and more. You can access this information via the registrar's home page at <http://registrar.colorado.edu>.

Other Registration Programs

A number of different registrations are held each semester for specific categories of students. If you have questions about any of these registrations, call the number listed in that section or see the *University of Colorado at Boulder Catalog*.

ACCESS Registration

Nondegree students (students not currently enrolled in a degree program at CU-Boulder) may take Boulder campus courses through the ACCESS (Available Credit Courses for Eligible Special Students) Program. Register through CU Connect, web registration, or in person at the Continuing Education Office, 1505 University, beginning Friday, August 25. For information on registration eligibility and times for registration, please call 303-492-5148 or visit the ACCESS web site at <http://www.colorado.edu/conted/access.htm>.

NOTE: Nondegree students who are classified as nonresidents may register for 3 credit hours or less through ACCESS and be assessed a rate less than regular nonresident tuition.

Concurrent Registration

If you plan to take at least one course at CU-Boulder in the fall and cannot register for all courses required for your degree program, you may be able to register concurrently on another CU campus. The course(s) must be required for your degree program, you must have your dean's permission, and enrollment levels must not have been reached on the other campus. Graduate students must have their advisor's approval. If all these conditions are met, you may register on another CU campus for up to two courses or 6 credit hours, whichever is greater.

You cannot register concurrently until the final drop/add period has begun on the other campus. Boulder students pay Boulder tuition rates for all courses.

Concurrent registration forms and instructions are available at the registrar's office in Regent 105 beginning August 7. For information, call 303-492-8494.

Note to Graduate Students: Check with the Office of the Registrar for exceptions to the home-campus registration requirement and limitation on credit hours at the host campus.

Course Reservation Program

The course reservation program assists you in getting the courses you need to graduate by giving you an opportunity to reserve space in a course and enroll in that course for the next semester before the next registration period begins. All undergraduate courses offered at CU-Boulder that use wait lists, except for controlled enrollment courses, are included in the course reservation program.

You are eligible to participate in the course reservation program for *spring semester 2001* if your name is on a wait list for a course as of 5:00 p.m. on September 6 (the wait list deadline), and you don't get enrolled in the course.

NOTE: This applies only to course wait lists on the Student Information System (SIS), not wait lists that may be kept manually by a department.

If you are on a course wait list as of 5:00 p.m. on September 6 and don't get into the class, you should plan to come into the registrar's office, Regent 105, 9:00 a.m. to 5:00 p.m., **October 30 - November 3** to register for the course for spring 2001. Registrations will *not* be honored through the course reservation program after November 3. In addition, all restrictions are honored, and you must clear up any "stops" before registering. You will register for all other spring 2001 courses during your regular registration time assignment.

Faculty and Staff Registration

All permanent faculty and staff members at CU-Boulder may take 1 to 6 credit hours each year without paying tuition. Course work must be taken outside of scheduled working hours or an adjusted work schedule must be established that is acceptable to the employing department. For more information, call 303-492-5381.

The high school concurrent program is coordinated by the Division of Continuing Education. Registration is available

Note: If you're not a Colorado resident, you are required to have an emissions control test performed on your car if it will be operated within the Denver-Boulder region for at least 90 days a year. Since 1989, state law has required periodic emissions control inspections of motor vehicles in an effort to improve air quality in and around the Denver-Boulder region. Penalty fines may be assessed for non-compliance. For more information, call the Air Care Colorado hotline at 303-456-7090 or visit its web site at www.aircarecolorado.com.

Time Out Program

The Time Out Program (TOP) provides an opportunity for you to take a leave from the university for a semester or a year without losing your place in your current college or school. You must be in good academic standing and have your dean's approval. Readmission to the university is guaranteed when you return, providing you meet registration and deposit deadlines. A nonrefundable \$40 application fee is charged. The TOP application deadline for fall semester is **October 11**. More information is available from the Office of the Registrar, Regent 105, 303-492-8673.

Withdrawal Procedures

If you need to withdraw from all of your courses for fall semester 2000, you can fill out a withdrawal form in the registrar's office in Regent 105, or write a letter to the Withdrawal Coordinator, Office of the Registrar, Campus Box 20, Boulder, CO 80309-0020. (Exception: Nondegree students withdraw through Continuing Education, 1505 University Ave., Campus Box 178, Boulder, CO 80309-0178.) If you write a letter of withdrawal please be sure to include your name, student ID number, the semester from which you want to withdraw, and your signature. Or you can e-mail a statement of withdrawal to **withdrawal@registrar.colorado.edu** (if the e-mail account is in your name). Just be sure to include your name, student ID number, and the semester from which you want to withdraw. For questions or more information about the withdrawal process, visit or call the Office of the Registrar, Regent 105, 303-492-8673.

You need not drop your courses; this is done for you.

NOTE: If you drop all your courses and don't re-register for courses, you are considered withdrawn from the university and you should notify the registrar's office.

If you are registered for courses and do not officially withdraw from the university by contacting the registrar's office, failing grades are recorded for all of your courses.

Remember: Deadlines and rules for withdrawing may vary within each college and school. Check with your dean's

office concerning withdrawal rules.

NOTE: If you withdraw from CU-Boulder but plan to return to the Boulder main campus in the future, you must either go on the Time Out Program (see this page) or reapply through the Office of Admissions. (Students remaining enrolled in only Continuing Education classes must still either reapply or go on TOP to return to Boulder main campus.)

Tuition assessments for students with financial aid (see pages 32-33) may differ from those listed on this page. Please check with the Bursar's Office at (303) 492-5381. If deaf or hard of hearing, call (303) 492-3528 (TTY).

Withdrawing students (including students applying for the Time Out Program) with Federal Perkins/NDSL loans must complete a loan exit interview before leaving the university. Failure to do so will result in a stop on your record. This stop will prevent you from receiving a diploma or an academic transcript of work at the university and from registering for any future terms. In order to complete a loan exit interview, contact the Student Loan Department in the Bursar's Office at 303-492-5571. If deaf or hard of hearing, call 303-492-3528 (TTY).

About Course Listings

Understanding Course Numbers

Courses are numbered according to the following guidelines:

1000-2999	Lower-division courses
3000-4999	Upper-division courses
5000-5999	Courses intended for graduate students and qualified undergraduates
6000-8999	Courses open to graduate students only

Enrollment in courses with a 700-, 800-, or 900-level section number is controlled by each department. The department staff either gives you the five-digit course call number so you can register for the course either via CU Connect or via web registration, enrolls you in the course directly on the computer, or gives you a special action form to take to a central drop/add site (during the final drop/add period *only*) or to the registrar's office.

Understanding Course Listings

The headers at the top of each column of the course listings include:

Core Diamonds—A diamond (♦) appears to the left of courses that fulfill a College of Arts and Sciences core curriculum requirement. (Refer to the College of Business Degree Requirements brochure for information on courses that fulfill the College of Business core curriculum requirements.)

Course Title—Often abbreviated; refer to the *University of Colorado at Boulder Catalog* for the complete title and course description.

Section Number—This three-digit number refers to the specific meeting pattern of the course. The three-digit number alone is the lecture number. When an R, L, P, or S precedes the section number, it indicates that the section is a recitation (R), a laboratory (L), a practicum (P), or a studio (S), which must be taken in addition to the lecture. Some courses may have three: lecture, lab, and recitation.

Call Number—The five-digit number, specific to a particular term, that is used for requesting a specific section of a course via CU Connect and via web registration.

Time/Days—Meeting time and days of the class (M—Monday; T—Tuesday; W—Wednesday; R—Thursday; F—Friday; S—Saturday; and U—Sunday).

Building/Room—The building name and room number where the class meets; this is subject to change. (See this page and the next for the building abbreviations.)

Maximum Enrollment—The maximum number of students allowed to enroll in the course.

Notes—When a course has a prerequisite and/or a corequisite, a note (*in italics*) appears just after the course title. Additional course notes are inserted into each course listing, as needed.

Remember: Some courses may not be available to you due to college or school restrictions or class size limitations. In this case, CU Connect and web registration will inform you with an appropriate message.

Department Headings—These will include the phone number and the department location.

The core curriculum must be satisfied by all students in the College of Arts and Sciences who began their undergraduate study in the summer of 1988 or later. Those students who finished high school in the spring of 1988 or later must also meet the college's minimum academic preparation standards, or MAPS (see page 120). You must take one course per MAPS deficiency per term. **Please note the following change in policy: If you complete a course approved to fulfill a MAPS deficiency and that course also is approved to fulfill a Core area, that course can be used to fulfill both the Core requirement and the MAPS deficiency. This change in policy applies to all Arts and Sciences students who are subject to MAPS. Please contact your academic advisor for additional information.**

There are eleven requirements of the core curriculum—four in skills acquisition and seven in the content areas of study. The requirements are all listed here, with instructions and lists of courses that will fulfill each requirement. For a complete explanation of graduation requirements in the College of Arts and Sciences, see the University of Colorado Catalog.

Selected majors are exempt from portions of the core curriculum (see sections 6, 8, 9 and 10 of the content areas of study). Content area exemptions may be used cumulatively if you are graduating with more than one eligible major.

Although a single course may appear in several areas, you may use it to meet only one core requirement.

Skills Acquisition

1. Foreign Language

While in high school, all students are required to demonstrate third-level proficiency in a single modern or classical foreign language. If you have not met this requirement at the time you enter the college, you are required to meet the deficiency by passing an appropriate third-semester college course or by passing a CU-Boulder-approved equivalency examination. Courses offered at CU that satisfy this requirement include the following:

- ♦ CHIN 2110-5 Intermediate Chinese 1

Minimum Academic Preparation Standards
 All new students entering the University of Colorado who finished high school in the spring of 1988 or later must meet the Minimum Academic Preparation Standards (MAPS) specified by their school or college. The purpose of these standards is to assure that all students have some core knowledge in common.

The College of Arts and Sciences has adopted the following standards for admissions. These standards are defined in high school years.

- English** 4 high school years (including 2 in composition)
- Mathematics** 3 high school years (2 in algebra and 1 in geometry)
- Natural Science** 3 high school years (including 2 in lab science, one of which must be chemistry or physics)
- Social Science** 3 high school years (including one of U.S. or world history and one of geography. A student who has U.S. history may use 1/2 year of world history and 1/2 year of geography instead of one year of geography)
- Foreign Language** completion of a third-year-level course (level III) in a high school foreign language sequence

Policies Concerning the Completion of MAPS
 If you were admitted to the College of Arts and Sciences with missing MAPS courses, you are subject to the following policies:

1. Each year of missing high school work can be made up by one semester of appropriate CU-Boulder course work.
2. All course work taken toward fulfillment of the MAPS must be taken for a letter grade, and you must receive a passing grade.
3. You are required to enroll in and complete at least one MAPS course each term, beginning in your first term of enrollment, until such time as all MAPS requirements are completed. This policy applies to new freshmen, transfer students, and students transferring from other colleges or schools on the Boulder campus and from other campuses of the University. Failure to comply with this requirement may result in suspension at the end of the term in which you cease to complete missing MAPS courses.
4. All students who first enroll in one college or school at CU-Boulder and who subsequently transfer to another college or school are required to meet the MAPS specified for the new college or school, whether or not they have completed their MAPS courses in their previous college or school.
5. Double-degree students must meet MAPS requirements of both degree-granting colleges or schools.
6. During the arts and sciences orientation, students must consult with a CU-Boulder academic advisor to determine which specific courses may be used to meet a MAPS requirement.

7. If you complete a course approved to fulfill a MAPS deficiency and that course also is approved to fulfill a Core area, that course can be used to fulfill both the Core requirement and the MAPS deficiency. This change in policy applies to all Arts and Sciences students who are subject to MAPS.

Note: Please contact your academic advisor for additional information.
